

Late Sh. T.R. Abhilashi Ji
(24 Oct., 1940 to 15 Dec., 2005)

Founder of Abhilashi Group of Institutions

*An Eminent Educationist
and Social Reformer
with a Vision of
Institutional
Building and
Academic Excellence.*

A bhilashi University at Chailchowk, Mandi is established by the Government of Himachal Pradesh vide “Abhilashi University (Establishment & Regulation) Act, 2014”. Abhilashi University is a Government recognized University with a right to confer degrees as per the Section 2(f) and 22(1) of the UGC Act, 1956. The campus of the University is located at Chailchowk near Mandi (H.P) and surrounded by lush green fields, pine and oak forests thus becomes an ideal place for study in a clean health-oriented environment. The aforesaid was the forethought of the Abhilashi Educational Society selecting such a beautiful location for the University. There are a number of places worth visiting nearby the University such as Nachan Valley, Jeeuni Valley, Janjehli Valley, Balh valley, Sundernagar and Mandi towns. One can also enjoy snowfall once a while during the winter season. The fresh and pollution free air of this region keeps the minds of the students fresh and help them to concentrate on their studies and beat the crowd.

The management of the University, Abhilashi Educational Society, is a pioneer in managing private educational institutions in the state of Himachal Pradesh. The foundation stone of the

society was laid by Late Sh. Tulsi Ram Abhilashi Ji on May 21, 2001. The students and their parents have put faith in the quality education imparted by efficient and dedicated faculty of institutions managed by Abhilashi Education Society for the last 15 years. The society is presently running many educational institutions of basic and technical education in the region. It includes: Abhilashi P.G. College of Education at Nerchowk, Mandi established in 2003 and running JBT, B.Ed., M.Ed.; Abhilashi Institute of Management Studies, Nerchowk, since 2005 imparting education in BBA, BCA and MBA; Abhilashi College of Pharmacy, Tanda, Balt, Mandi from 2006 and onwards admitting students for B.Pharmacy degree programme; Abhilashi Institute of Life Sciences and PG Sciences, Tanda, Balt, Mandi admitting students for graduate and master programmes in Bio-Tech. and Micro-Biology since 2007 and from academic session 2010-11 onwards for M.Sc. Physics, Chemistry and Botany; T.R. Abhilashi Memorial Institute of Engineering and Technology (TRAMIET) established in 2009 for imparting education in the Diploma, B.Tech. and M.Tech. programme in different disciplines of engineering and technology.

Vision

Excellence in professional and technical education through dedication and innovative research.

Our Mission

- * To provide environment for achieving excellence in education.
- * To create and generate environment for quality education.
- * To impart quality education through value-based & industry-based curriculum.
- * To strengthen in humanistic, social and moral values.
- * To plant education and qualities of leadership in minds of students for future development of the nation.

I take this opportunity to make reference to the high thinking of Swami Vivekananda, the great philosopher and the son of our great country whose philosophy of education was: “If you want to plan for one year, plant rice; if you want to plan for ten years, plant a mango tree; if you want to plan for one hundred years; plant education and qualities of leadership in the minds of men”.

We follow the above mentioned pious philosophy of Swami Vivekananda by earnestly endeavouring to plant innovative, creative, quality education and high qualities of leadership in the minds of our brilliant, hardworking and inquisitive students through our dedicated, devoted, research oriented and highly qualified faculty. We impart excellent education to the students to transform them into global leaders who innovate, manage and bring effective changes in the competitive organisations with diverse visions and missions. Our stress is on the overall development of personality of our students so that they adapt and adjust to any situation being faced in the era of liberalisation, privatisation and globalisation without any stress and strain and deliver their maximum output for the betterment of the society.

I extend my very warm welcome to all the prospective and aspiring students to join our University and other Institutions of the Group and honestly assure them that they will shine in their career, beat the crowd of this competitive world and realise their cherished missions after completing their education from our University and other Institutions of higher learning.

Dr. R.K. Abhilashi
Chancellor

The Abhilashi University and other Institutions of Abhilashi Group of Institutions are the pioneer in higher education and are the best destination for the aspiring students who want to use their fertile minds to optimum for excelling in their studies and beating the crowd of this competitive and fast-changing world.

I believe that no country can advance and progress unless the youth of that country is given right direction at right place of education at right time. With this forethought and philosophy, we plan quality education for our students so that they realise their dream and attain unimaginable and incredible heights in their lives and be capable to meet all challenges of dynamic world squarely and deliver results for the betterment and development of the nation and world in turn.

In addition to the above, we always plan the education in our University and other educational institutions of our Group in such a way that the overall personality of our students is developed so that they not only prove better professional, technocrats or academicians but also become better citizens who value the Indian culture, practice the same and become the epitome of the Indian ethics and social conduct. Thus we endeavour to transform our students into perfect citizens.

I extend my sincere welcome to all the aspiring students who are going to join our premier University and other Institutions of our Group and I honestly wish them success in their academic and social pursuits.

Er. L.K. Abhilashi
Pro-Chancellor

Prof. H.S. Banyal, a renowned academician, completed his B.Sc.(Hons.) and M.Sc.(Hons.) in Zoology from Panjab University, Chandigarh and Ph.D. from Central Drug Research Institute, Lucknow. He carried his postdoctoral research at St. Louis University and Dartmouth University in U.S.A. He also visited British Columbia University, Vancouver and Calgary University in Canada in connection with his research work. Prof. Banyal worked as Professor and Head, Department of Zoology, Panjab University, Chandigarh; Professor and Head of Biosciences Department. He also served as Dean Faculty of Life Sciences, Dean Students Welfare, Dean Planning and Teachers Matters and Dean of Studies in Himachal Pradesh University, Shimla. He has published 153 research papers and two books on malaria and supervised 17 Ph.D. and 26 M.Phil. students for their research degrees. Being Life Member of Indian Society of Parasitology, he has attended about three dozen national and international conferences in India and abroad and is in the editorial board of high quality research journals. His research interests also include faunal diversity and its conservation in Himachal Pradesh.

Welcome to Abhilashi University at Chail Chowk, District Mandi, Himachal Pradesh, a venture in higher education by Abhilashi Education Society. Situated in a serene environment surrounded by Gohar and Balh valleys and nature's paradise of green lush fields, oak and pine forests make Abhilashi University an ideal institution to associate with. Abhilashi University is an institution which rears its students in their mission of literacy and education.

University means centre of higher education. It nurtures the individual's ability to interpret, to distinguish between right and wrong,

Prof. H.S. Banyal
Vice-Chancellor

to enhance the appetite for curiosity and to discover the answer to hidden unsolved problems. Education is manifestation of perfection already present in man. The main focus in learning should be to make the hidden ability of learner manifest. As Vivekananda said, what a man 'learns' is really what he 'discovers', by taking cover off the human soul, which is mine of infinite knowledge. According to Vedanta philosophy, knowledge is inherent in human being, like a spark in a piece of flint and all that is needed is the strike of suggestion to bring it out. Real education is that which enables one to stand on one's own legs. Education must be considered as a continuous and lifelong process. Teachers and designers of education system must always keep in mind the Vedanta idea that whatsoever good or bad impressions a mind carries, a human being is essentially pure and divine and repository of immense possibilities. Everyone should get equal opportunity to learn and grow irrespective of one's financial abilities. Discovery is the main focus of universities. Universities are to solve the unsolved issues, to answer the unanswered questions, to encourage the innovative and imaginative ideas to nurture a state of mind that is flexible and alert and to educate the individuals about modesty and humanity. Abhilashi University is synonym with this. We at Abhilashi University educate our students and prepare them for a life time of responsibility with dedication through creation of knowledge by learned and efficient faculty, well equipped laboratories and library. Abhilashi University is established with a vision to make quality higher education within reach to aspiring technocrats and to disseminate knowledge to them in their ability to be job providers instead of job seekers. I assure the young minds joining Abhilashi University that you will certainly achieve satisfaction in your academic pursuits to attain future endeavours. Academic environment is imperative to educate the naive technocrats to excel in their skills and Abhilashi University is a light house, well-equipped to impart versatile training in various disciplines to ensure maximum on - campus placements of its graduates. My best wishes to students & parents who are associated with Abhilashi University.

The mandate of the University is to impart education in diverse professional courses with special emphasis to Medical, Pharmacy, Engineering, Social Sciences, Legal Studies, Agriculture and other allied Faculties, furthering the advancement of learning and prosecution of research and undertaking extension of such sciences, especially to the rural people of Himachal Pradesh. Abhilashi University made a beginning in this direction and we are committed to significantly transform and improve the living standard of the society.

Abhilashi University has been established by the Himachal Pradesh Government vide ordinance No.3 of 2014 dated 14.08.2014 at Chailchowk in Mandi District of Himachal Pradesh. Abhilashi University is approved by UGC and it is recognized university with a right to confer degrees as per the Section 2(f) of the University Grants Commission Act, 1956. Today, Abhilashi University is just in its infant stage after completing just two year of its establishment. Still the University has earned its name in the country. The university will equip all the students with the wisdom to lead their lives in a righteous and responsible manner. It will offer its students an atmosphere for the development of character with enriched virtues and noble ideals. Hence the system of education in the university will be holistic one which will draw out the knowledge, values and wisdom present in a latent form in the student and synthesis of science and spirituality will be an important component of the whole process. This University will not merely prepare students for earning degrees but will cultivate self-knowledge and self-realization. Spiritual education will be integrated harmoniously with ethical, physical, and metaphysical teachings. We will integrate ethics and values as the undercurrent of every subject for which we will adopt the integrated approach of value oriented education through all academic programmes and activities. Our stress will be on character building of the youth, and integration of academics with sports, arts, and social service. We will create a spiritual ambience and disciplined environment in the University campus which is the backbone of any civilized society. Efforts will be made to blend contemporary knowledge with inherited spiritual values for the societal benefit by inculcating the spirit of self-reliance among students. On the whole, we hope all applicants would seek admission at large number and get benefitted.

Prof. A.S. Guleria
Dean of Studies

It is my proud privilege to extend a very warm welcome to the students desirous of seeking admissions in the Abhilashi University which has been a leader in imparting innovative, creative, scientific, interactive and value based Professional and Technical education to its students.

Today, the scope of knowledge is expanding more rapidly. It is, therefore, imperative for the Universities to be ready for imparting latest knowledge to their students by blending the professional and technological education for the overall academic development of the students and creating excellent skilled human resource for the country. Our University is well equipped in all respects to meet this challenge and achieving the aforesaid by employing highly qualified faculty and following the interactive teaching and learning techniques which multiplies the world changing ideas. It is well said that if we exchange one rupee with each other, we still have one rupee each. But if we exchange one idea, we shall have two ideas each. The ideas change the personality and thinking of our student who will in turn effect changes in the professional and technological world.

Abhilashi University is committed to provide excellent teaching, learning and research under five Faculties : B.A.M.S; B.Sc. (Hons) Agriculture; B. Pharmacy (Allopathy); Diploma in Pharmacy; B. Tech (Civil Engg and Mechanical Engg); MA (Edu.); M.Sc. Zoology; M.Sc. Chemistry; BPT (Bachelor of Physiotherapist); M. Pharmacy (Pharmaceutics); M.Tech (Civil Engg), M. Tech (Mechanical Engg), B.A. LL.B (Five Years integrated Proposed Course), M.Phil. Chemistry, Zoology, Ph.D. in Zoology, Chemistry and Pharmacy programmes during the present academic session 2016-17.

The University has excellent lecture halls, laboratories, seminar halls, tutorial rooms, computer labs, play grounds, hostels and well equipped hospital of Abhilashi Ayurveda College and Research institute with highly professionally qualified team of doctors, faculty members and supporting staff.

I am very sure in my mind that all our prospective students will definitely emerge skilled human resource in technological and professional fields after completion of their studies at par excellence Abhilashi University. I wish them good luck and success in their missions.

Admission for session 2016-17

Abhilashi University aims to impart quality education to its students by applying modern scientific techniques. University follows CBCS and Semester System (Annual System for BAMS, BPT and Diploma in Pharmacy) for teaching and evaluation. Each semester of study has minimum requirement of attendance and pass percentages in theory and practical examinations. Each course is defined in terms of credit hours for lectures, tutorials and practical classes. A student is registered to each course in the beginning of the programme. The duration of the course is given under the respective faculty. Each semester will have mid-term and end-semester examinations.

Admission to academic session 2016-17 will be based on National level/State level entrance test and Combined Entrance Test (AUCET-2016) of Abhilashi University.

Documents required at the time of Admission

The following certificates/documents (self attested by the candidate) be submitted along with the admission form:

1. Three passport size photographs.
2. Matriculation certificate.
3. 10+2 Examination pass certificate.
4. Detailed marks sheets of all semesters of graduation, in case student is seeking admission in post graduation programme.
5. SC/ST/OBC certificate, if applicable.
6. Original Character certificate from institution last attended. In case there is a gap in studies, character certificate issued by Tehsildar/SDO(C) of the area.
7. Original Migration certificate. In case it is not available at the time of admission then the student may submit it within one year failing which result of third semester will not be declared.
8. An affidavit in case there is a gap in studies.
9. Copy of Aadhar card.
10. Low income group candidate may submit income certificate issued by Tehsildar/SDO(C) for scholarship purpose.

Important dates for AUCET-2016

Abhilashi University will admit students for the session 2016-17 in the disciplines of Ayurveda, Agriculture, Basic Sciences through Entrance Test AUCET - 2016. The examination centres for AUCET- 2016 will be at Chailchowk and Gangtok (State of Sikkim) except for BAMS. The centre for BAMS entrance examination will be at Abhilashi University campus Chailchowk.

The schedule of examination is given below:

Course	Last Date of Applications	Date of Entrance Test	Eligibility
BAMS & BPT	14/07/2016	17/07/2016	10+2 (Medical)
B.Sc(Hons.) Agriculture	10/06/2016	26/06/2016	10+2 (Science)
M.Sc. Zoology, Chemistry/MA Edu.	07/07/2016	10/07/2016	B.Sc. in related subject/B.A.
M.Phil.(Zoology, Chemistry)	28/10/2016	30/10/2016	M.Sc. in related subject
Ph.D. (Zoology, Chemistry & Pharmacy)	28/10/2016	30/10/2016	M.Sc./M.Phil/M.Tech in related subject

1. Admission to other programmes will be made on the basis of merit/marks obtained in National level/ State level/ Other state level tests conducted by Govt. of Sikkim/ Manipur/ Arunachal Pradesh/ Tripura/merit in qualifying exam.
2. Lateral Entry candidates will be admitted directly to B.Tech. and B.Pharmacy
3. MCQ type test will be of two hours duration for each course.

4. The syllabus of test will be of class given under eligibility.

How to Apply

1. The first step is to satisfy yourself about your eligibility for the course you have chosen to pursue at Abhilashi University.
2. Fill the admission form. The admission form is available in the prospectus or can be downloaded from university website www.abhilashiuniversity.in.
3. Complete the form and attach all the relevant documents to the admission form.
4. Completed admission form alongwith relevant documents be sent to Registrar, Abhilashi University, Chailchowk, Tehsil Chachyot, Distt. Mandi (H.P.) - 175028.

In case, a candidate is eligible and wishes to apply for more than one course he/she should clearly mention the name of the course preference wise at the top of the application form.

Abhilashi Ayurvedic College and Research Institute

(A Department of Abhilashi University)

Dr. D.K. Mishra

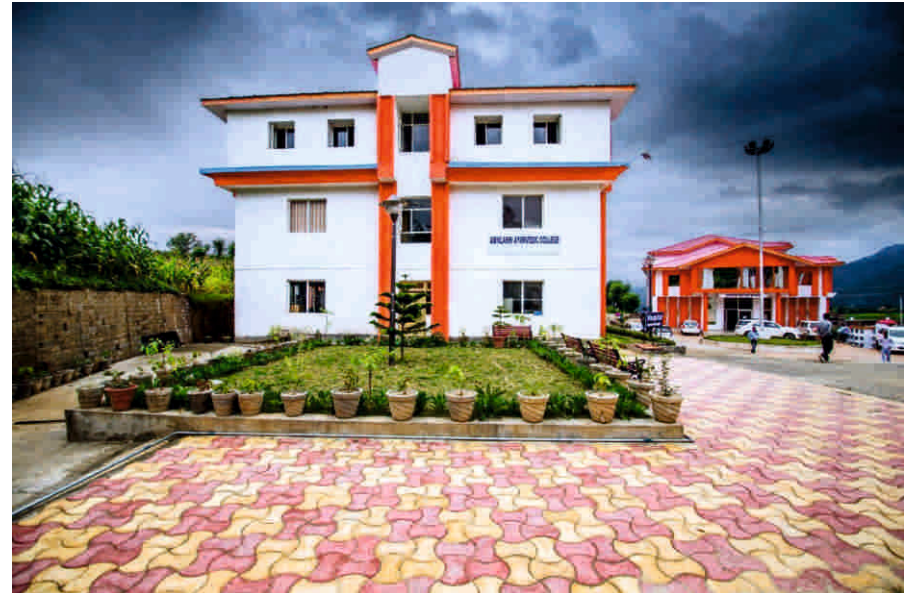

Prof. D.K. Mishra completed BAMS from Sampurnanand Sanskrit University, Varanasi and M.D. Kayachikitsa from Institute of Post Graduate Training & Research in Ayurveda, Shyamadas Vidyapeeth, Kolkata. Prof. Mishra has more than 24 years of teaching and administrative experience. He

served as Professor and Vice Principal SGM Ayurvedic College and Hospital, Nandganj, Sahari Ghazipur, U.P.; Principal SUDAC Hoshiarpur; Principal JIAR Jammu; Professor and Principal at Guru Nanak Ayurvedic College, Gopalpur, Punjab.

Ayurveda is a system of medicines. When translated from Sanskrit, Ayurveda means 'the science of life'. It provides us the knowledge of how to prevent diseases and to eliminate the root cause if it does occur.

Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University) is situated at such a place, the surroundings of which are so picturesque which make it more suitable for teaching and training of

Ayurvedic education and research. The surrounding flora is rich in important medicinal plants. Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University) is running graduation level programme, Bachelor of Ayurvedic Medicine and Surgery (BAMS), which is recognized by Central Council of Indian Medicine (CCIM), Government of India. New Delhi.

Abhilashi Ayurvedic College and Research Institute has its own multi-speciality 60 bedded hospital, well furnished pharmacy and herbal garden of 5000 m² area with more than two hundred species of medicinal plants. In addition to Central Library, Abhilashi Ayurvedic College and Research Institute has its own working library with 5515 books and 15 national journals. The library has online access for books and journals.

The aims and objectives :

1. To promote the growth and development of Ayurveda.
2. To produce graduates who could efficiently serve in State Ayurvedic Health Services and also as Ayurvedic Practitioners.
3. To provide health care to patients by specialists of various fields of Ayurveda.
4. To co-ordinate with other States and National Health Services for providing complete health care.
5. To conduct “re-orientation” training programmes for Ayurvedic Physicians.

Abhilashi Ayurvedic College and Research Institute is running BAMS programme on the annual system of teaching and evaluation.

Duration :

Five and a Half years including Compulsory Rotatory Internship

of one year.

Seats : 60

Eligibility:

10+2 examination passed with PCB and securing 60% marks in aggregate for general category and 55% for SC/ST candidates who have appeared for AUCET-2016. Candidates securing 50% marks in aggregate for general category (40% for SC/ST categories) who have appeared in BAMS State level Entrance Test conducted by Himachal Pradesh University, Shimla.

Admission:

Admission will be made on the basis of merit of the entrance examination conducted by Abhilashi University (AUCET-2015).

Bachelor in Physiotherapy, B.P.T.

Duration : 4 Years teaching and 6 months internship.

Seat : 30

Eligibility :- A candidate who has passed (10+2) examination (Medical Stream, PCB) or equivalent from a recognized Board of Education with 50% marks (45% for SC/ST).

Admission : The eligible candidates have to appear in the Entrance Test conducted by Abhilashi University. The admission will be made on the merit basis of the Entrance Test.

Academic Calendar for the session 2016-17

B.A.M.S. Programme

First, Second and Third Year

S.No.	Activity	Date		
		1st Year	2nd Year	3rd Year
1.	Admission and Registration	July-Oct. 2016, as per CCIM norms	Sept. 2016	Sept. 2016
2.	Session	12 Months	12 Months	12 Months
3.	1st House Test	Dec. 2016	Dec. 2016	Dec. 2016
4.	2nd House Test	June 2017	June 2017	June 2017
5.	University Examination	Aug. 2017	Aug. 2017	Aug. 2017
6.	Declaration of Results	Sep. 2017	Sep. 2017	Sep. 2017
7.	Winter Vacation	01-01-2017 to 31-01-2017	01-01-2017 to 31-01-2017	01-01-2017 to 31-01-2017
8.	Summer Vacation	01-07-2017 to 20-07-2017	01-07-2017 to 20-07-2017	01-07-2017 to 20-07-2017

Note : The session of 2nd & 3rd Years will start from 1st week of Sept. 2016

Hospital

Abhilashi University has its own 60 bedded multispeciality hospital. It provides the basic facilities for clinical training and research for BAMS students. The hospital has well equipped operation theatre and a labour room. The Panchkarma and Ksharsutra facilities are well established. The hospital has laboratory investigation facilities of Blood, Urine, Stool, Biochemistry investigations, X-Ray, Ultrasound, ECG etc. Hospital has sufficient numbers of staff members i.e. Medical Specialist, Medical officers and other supporting staff as per CCIM Norms.

School of Agriculture

Dr. R.C. Thakur

School of Agriculture

The faculty is headed by Dr. R.C. Thakur as Dean. Dr. Thakur is M.Sc. Agri. Ph.D. in Agronomy and has served as Director of Research at H.P. Krishi Vishvavidyalaya, Palampur before joining the University. Dr. Thakur is Fellow and Life Member of Indian Society of Agronomy, Function Area Expert (FAE) and Environment Coordinator (EC), he has guided 8 M.Sc. and 15 Ph.D. students and has published over 100 Research and Extension Education papers. He has worked as a consultant from July 2007 to July 2014 for preparing Catchment Area treatment Plants (CAT-Plan) for Satluj and Beas River Basins, from April, 2013 to July, 2014 with The Energy Resource Institute (TERI), New Delhi for Mid Himalayan Watershed Development Project.

Modern agriculture practices are increasingly turning out to be knowledge based and hence gaining expertise in them is exceedingly important.

India does require agricultural education at all levels so that Indian farmers are better equipped to handle the threats of globalization. These days with the entry of foreign direct investment (FDI) in the sector, many MNCs have forayed into the segment with dozens of agro-products; subsequently this has resulted as a threat to Indian farmers who lack professional expertise to better deal with the issue. Hence the need of the hour is to give agricultural education a high priority. India is yet to emerge as a significant trade partner in the world agriculture market. Presently India holds around 1% of the global trade in agrocommodities, which is very less as compared to huge workforce engaged in this field. Thus there are exciting opportunities for young people in agriculture, particularly for those who are not averse to change. Many graduates in the rural sector follow careers in farming and the management of agricultural and other rural businesses, as well as consultancy or advisory roles to business firms, private clients or government. There are also significant career opportunities in the area of food production and supply management, including consumer research through manufacturing, distribution and the industries supporting agriculture and horticulture. The course has immense opportunities under the “Starup Scheme” launched recently by Hon’ble Prime Minister of India.

Faculty of Agriculture is offering B.Sc. Agriculture (4-year course spread over 8 semesters) with an intake capacity of 120 students. Under the co-education system, the students are

admitted to the course after an entrance test conducted by the University.

During the 7th Semester, a student chooses one of the five electives from amongst, 1) Crop Production, 2) Crop Protection, 3) Horticulture, 4) Post-Harvest Technology and 5) Agri. Business Management in which they receive extensive training and become proficient in managing that field or equip himself/herself for pursuing higher studies.

After having taught basic courses in Agriculture, Animal Husbandry, Horticulture and basic Sciences during the first 3.5 years of the degree programme, we have in the course curriculum a six week exposure of the students in complete rural settings during the 8th Semester where the students will go and live along with farm families in a village and have the firsthand experience of their living, agricultural practices, difficulties, and expectations. For next 12 weeks the students will be attached to an agriculture based industry in order to acquaint themselves with post-harvest processing of agricultural produce and link agricultural production with industry.

The faculty has highly qualified teachers, well equipped laboratories, class rooms and well laid out terraced student's farm representing typical hilly terrain. Occasional snowfall during the winter adds to the beauty of University campus and places it at a location which is marginal to temperate as well as sub-tropical agro climatic conditions, thus enabling teaching and research under both the situations.

The practicals of the student's training are backed by thorough field training and exposures at farmer's fields. The students are encouraged to participate in co-curricular activities, sports events and other cultural activities of local and national/international significance.

A group of 3 to 4 students is allotted a piece of land

where they are required to raise the seasonal field and vegetable crops. The inputs are provided by the University and the students are required to raise the crops under the guidance of respective teacher. The students can sell their produce in the local market and retain the profit. They are evaluated on the basis of their field record, stand of the crops, and the profit earned. This provides them a good practical exposure.

Course : B.Sc. (Hons.) Agriculture

Duration : Four Years (8 Semesters)

Seat : 120

Eligibility :

Candidates having passed 10+2 with science and secured not less than 60% marks in aggregate for general category and 55% for SC/ST who have appeared for AUCET-2016. Candidates securing 50% marks in aggregate for general category (40% for SC/ST categories) who have appeared in state level entrance test conducted by CSK Himachal Pradesh University, Palampur or Dr. Y.S. Parmar University of Horticulture and Forestry, Nauni (Solan).

Admission

Admission will be made on the basis of merit of the entrance examination conducted by Abhilashi University (AUCET-2016) or CSK HPKV Palampur or Dr. Y.S. Parmar UHF Nauni (Solan).

Faculty

1) Dr. R.C. Thakur

Designation : Dean-Prof.
Qualification : Ph.D.
Subject : Agronomy
Experience : 42 years

2) Prof. A.S. Guleria

Designation : Professor
Qualification : Ph.D.
Subject : Resource Management
Experience : 40 Years

3) Dr. S.S. Masand

Designation : Professor
Qualification : Ph.D.
Subject : Soil Science
Experience : 35 years

4) Dr. B.S. Deor

Designation : Professor
Qualification : Ph.D.
Subject : Agronomy
Experience : 32 years

5) Mr. Khoob Ram Thakur

Designation : Asst. Prof.
Qualification : M.Sc, Ag.
Subject : Agronomy
Experience : 32 years

6) Dr. Ajay Kumar Gautam

Designation : Asst. Prof.
Qualification : Ph.D.
Subject : Botany
Experience : 4 years

7) Ms. Nisha Thakur

Designation : Asst. Prof.
Qualification : M.Sc., Ph.D.
Subject : Vegetable Science
Experience : 1 Year

8) Mr. Shatruhan Jaiswal

Designation : Asst. Prof.
Qualification : M.Tech
Subject : (S.W.C.E.)
Experience : 1 year

9) Ms. Kalpana Sharma

Designation : Asst. Prof.
Qualification : M.Phil. Zoology
Subject : Entomology
Experience : 2 Years

10) Ms. Yogita Thakur

Designation : Asst. Prof.
Qualification : M.Sc.
Subject : Microbiology
Experience : 4 Years

11) Ms. Shivani Kaundal

Designation : Asst. Prof.
Qualification : M.Phil
Subject : Botany
Experience : 3 Months

12) Dr. Aakriti Guleria

Designation : Asst. Prof.
Qualification : Ph.D.
Subject : Microbiology
Experience : 4 Years

13) Ms. Deepika Singh

Designation : Asst. Prof.
Qualification : M.B.A.
Subject : Agri. Management
Experience : 2 year

Infrastructure facilities available in faculty of Agriculture for the Academic Session 2016-17

1. Class rooms accommodating 60 students each	Four
2. Laboratories :	
1. Agronomy	One
2. Genetics and Plant Breeding	One
3. Soil Science	One
4. Plant Pathology	One
5. Entomology	One
6. Agril. Engineering	One
7. Horticulture, Veg. Science /Floriculture	One
8. Computer Lab	One
3. Meteorological Observatory	One
4. Student's Farm for field training (20 Bighas)	One
5. Horticulture Farm (4 Bighas)	One
6. Power Tiller	One

School of Pharmacy

Dr. L. Raju

The Faculty of Pharmacy is headed by Prof. L. Raju as Dean. Prof. Raju is M.Pharm., Ph.D. from JSS College of Pharmacy, Dr. MGR Medical University, Chennai, TN. He also remained Principal in Vivekananda College of Pharmacy, Bengaluru. He has vast experience in the field of education and research with many accolades in developing profession of pharmacy in India. Also he is active member of APTI and IPA with a mission “A Passion for Excellence”.

School of Pharmacy is approved by AICTE and PCI. Pharmacy is the science and technique of preparing and dispensing medicines. It is a health profession that links health sciences with chemical, biological sciences and aims to ensure the safe and effective use of medicines. The scope of pharmacy profession includes more traditional roles such as compounding and dispensing medications, services related to health care, clinical services, reviewing medications for safety and efficacy, and providing drug information. Pharmacists are experts on drug therapy and are primary health professionals who optimize use of medication for the benefit of patients and society.

The teaching and learning process at Abhilashi University is designed to produce right combination of skills, knowledge and attitude. Apart from curriculum the University provides a unique environment to the students that promotes culture, art, sports and human values with several informative, competitive and extracurricular activities.

Undergraduate Programme

Bachelor of Pharmacy

Duration : 4 years

Seats: 60

Eligibility :

Candidate having passed (10+2) with science examination/equivalent examination conducted by the recognized Education Board/University /Council with 60% in aggregate (55% for SC/ST)

The Admission to B. Pharmacy first year degree course shall be made on the basis of merit of HPCET of the corresponding year. In case the seats remain vacant after exhausting the merit of HPCET the remaining seats will be filled up on the basis of merit of 10+2 examination conducted by the recognized Board/University.

Note : The minimum/cut off marks to seek admission to B.Pharmacy degree course on the basis of HPCET and 10+2 shall be as follows :

Name of Exam	General Categories	Reserved Categories
HPCET	20%	15%
10+2	55%	50%

Wherein the % indicates the marks obtained by the candidate in the entrance test/10+2 examination out of the total marks assigned in the entrance/ examination.

Admission:

The eligible candidates will have to appear in the Entrance Examination conducted by H.P. Technical University or merit in the qualifying examination.

Lateral Entry:

Passed diploma examination from an AICTE approved

institution with 45% marks for general category and 40% for the SC/ST category candidates.

Diploma in Pharmacy

Duration : 2 years.

Seats: 60.

Eligibility:

Candidate having passed (10+2) with science examination/equivalent examination conducted by the recognized Education Board/University /Council with 50% in aggregate (45% for SC/ST. The eligible candidate should fulfill the minimum entry level qualifications prescribed by AICTE/PCI.

OR

Any Examination of College / Education Board/ University in a foreign country recognized by the Academic Council as equivalent for the purpose.

Postgraduate Programme

M. Pharmacy & Ph.D. in Pharmacy

Master in Pharmacy M.Pharma (Pharmaceutics)

Duration: 2 years (4 semesters).

Seats: 18.

Eligibility: The admission to M.Pharmacy degree course shall be made on the basis of merit of valid GPAT score.

In case the seat remain vacant after exhausting the merit of GPAT the vacant seat will be filled up on the basis of merit of HPCET of corresponding year.

In case the seat remain vacant after exhausting the merit of National Level Test and HPCET, the seats will be filled up on the basis of merit of B.Pharmacy degree awarded by the recognized University.

Note : the minimum cut off marks to seek admission to M.Pharmacy degree course on the basis of HPCET and B.Pharmacy examinations shall be as follows :

Name of Exam	General Categories	Reserved Categories
HPCET	20%	15%
B.Pharmacy	60%	50%

Admission :

Admission will be made on the basis of GPAT, merit of the Entrance Examination conducted by H.P. Technical University and AUCET - 2016.

Faculty

- 1) **Dr. L. Raju**
 Designation : Dean
 Qualification : M. Pharm, Ph.D.
 Specialization : Pharmaceutics
 Experience : 19 years
- 2) **Mr. Atul Kabra**
 Designation : Asst. Prof.
 Qualification : M.Pharma, Ph.D (Persuing)
 Specialization : Pharmacology
 Experience : 4 years
- 3) **Mrs. Ruchika Kabra**
 Designation : Asst. Prof.
 Qualification : M.Pharma
 Specialization : Pharmachemistry
 Experience : 4 years
- 4) **Ms. Monika Rana**
 Designation : Asst. Prof.
 Qualification : M.Pharma
 Specialization : Pharmacognosy
 Experience : 3 year

- 5) **Mrs. Meenakshi Rana**
 Designation : Asst. Prof.
 Qualification : M.Pharma
 Specialization : Pharmaceutical Chemistry
 Experience : 3 years
- 6) **Ms. Shashi Chauhan**
 Designation : Asst. Prof.
 Qualification : M.Pharma
 Specialization : Pharmacology
 Experience : 2 months
- 7) **Mr. Abhishek Soni**
 Designation : Asst. Prof.
 Qualification : M.Pharma
 Specialization : Pharmaceutics
 Experience : 2 Years
- 8) **Ms. Shivani Thakur**
 Designation : Asst. Prof.
 Qualification : M.Pharma
 Specialization : Pharmacology
 Experience : 1 Year
- 9) **Ms. Bhimi Devi**
 Designation : Lecturer
 Qualification : B. Pharmacy
 Experience : 1 Year

- 10) **Ms. Anita Kumari**
 Designation : Lecturer
 Qualification : B. Pharmacy
 Experience : 1 Year
- 11) **Mr. Nishant Gautam**
 Designation : HOD
 Qualification : M. Pharmacy
 Specialization :
 Experience : 6 Years
- 12) **Ms. Chinu Kumari**
 Designation : Asstt. Prof.
 Qualification : M. Pharmacy
 Specialization :
 Experience : 2 Years
- 13) **Mr. Chirag Kapoor**
 Designation : Asstt. Prof.
 Qualification : M. Pharmacy
 Specialization :
 Experience : 3 Years
- 14) **Ms. Richa Thakur**
 Designation : Asstt. Prof.
 Qualification : M. Pharmacy
 Specialization :
 Experience : 4 Years
- 15) **Ms. Ritika Verma**
 Designation : Asstt. Prof.
 Qualification : M. Pharmacy
 Specialization :
 Experience : 4 Years
- 16) **Ms. Aliya Sheikh**
 Designation : Asstt. Prof.
 Qualification : M. Pharmacy
 Specialization :
 Experience : 6 Months

Infrastructure Facilities available in faculty of Pharmacy for the Academic Session 2016-17

1. Class rooms Seven

Name of Laboratories :

1. Pharmacognosy -2
2. Pharmaceutics - 3
3. Pharmacology - 2
4. Pharmaceutical -Analysis - 1
5. Anatomy, Physiology and H.E. -1
5. Pharmaceutical Chemistry -2
6. Pharmaceutical Microbiology -1
7. Central Instrumentation Room -1
8. Machine Room - 1
9. Computer Room - 1

School of Engineering

Dr. S.C. Chauhan

It gives me immense pleasure to welcome you to AU. Over the years, AU has evolved to reach and hold a unique position of pride in the technical education by consistently creating competent professionals and with good ethic values. We teach students theories and concepts with a culture of inquisitiveness and use multiple methods to impart the required knowledge to develop the skills and attitudes through lectures, video and virtual, simulations, industrial visits, case studies, model design, industrial interaction, workshop, sports, and seminar. At AU, students become immersed in its culture of rigorous analysis and the process of learning will enable and encourage the students to challenge conventional wisdom and come up with innovative solutions to industry, society and nation. At AU the good class attendance, class test, class

assignment, MCQ test, industrial technology training, telephonic interview, GD, virtual interviewer process, communication class training and many other activities can provide to develop the students career and good future.

We provide engineering area technology for all engineering students.

1. Top industry, industrial interaction provided by top industry person in each semester 3 to 4 times for different industry.
2. Top university professor provide guest lecture, for all semester students at innovate concept, engineering technology; recently come in all new technology at engineering field.
3. We provide the international education quality in a class room.

School of Engineering is running the following academic programmes:

Undergraduate Programme:

1. Bachelor of Technology (B.Tech.) in Civil Engineering.
2. Bachelor of Technology (B.Tech.) in Mechanical Engineering.

Post graduate Programme:

1. Master of Technology (M.Tech.) in Civil Engineering.
2. Master of Technology (M.Tech.) in Mechanical Engineering.

B.Tech.

Duration : 4 Years (8 Semester)

Civil Engineering = 60 Seats

Mechanical Engineering = 60 Seat

Eligibility and Admission Criteria for Under Graduate Programs

1. The admission to B.Tech first year degree course shall be made on the basis of merit /rank /score obtained in JEE (Main) of the corresponding year.
2. In case the seats remain vacant after exhausting the merit of JEE (Main) the remaining seats will be filled up on the basis of merit of Himachal Pradesh Common Entrance Test (hereinafter referred to as HPCET) of the corresponding year.
3. In case the seat remain vacant after exhausting the merit of JEE (Main) and HPCET. the remaining seats will be filled up on the basis of merit of 10+2 examination conducted by recognized Board or University.

Note : The minimum cut off marks to seek admission to B. Tech degree course of the basis of JEE (Main), HPCET and 10+2 shall be as follows :

Name of Exam	General Categories	Reserved Categories
JEE (Main)	15%	10%
HPCET	20%	15%
10+2	55%	50%

Wherein the % indicates the marks obtained by a candidate in the entrance test / 10+2 examination out of the total marks assigned to the entrance test / examination.

M.Tech

Duration : 2 Years (4 Semester)

Eligibility and Admission Criteria for Post Graduate Programs

The admission to M.Tech degree course shall be made on the basis of valid GATE Score

In case the seats remain vacant after exhausting the merit of GATE the vacant seats will be filled up on the basis of merit of HPCET of the corresponding year.

In case the seat remain vacant after exhausting the merit of National Level test and HPCET. The remaining seats will be filled up on the basis of merit of B.E./B.Tech degree awarded by a recognized University.

Note : The minimum cut off marks to seek admission to M.Tech degree course on the basis HPCET and B.E./B.Tech examinations shall be as follows :

Name of Exam	General Categories	Reserved Categories
HPCET	20%	15%
B.E. B.Tech	60%	55%

Wherein the % indicate the marks obtained by a candidate in the entrance test/ B.E./ B.Tech degree examination out of the total marks assigned to the entrance test/ examinations.

Faculty

1. **Dr. S.C. Chauhan**

Designation : Professor
Qualification : Ph.D.
Subject : Chemistry
Experience : 34 years

2. **Dr. H.S. Badrinarayan**

Designation : Visiting Prof.
Qualification : Ph.D.
Subject : M.Engg.
Experience : 20 years

3. **Er. G.P. Negi**

Designation : Asst. Prof.
Qualification : M.Tech.
Subject : C.S.E.
Experience : 2 years

4. **Ms. Gulshan Bharti**

Designation : Asst. Prof.
Qualification : M.Tech.
Subject : S.E.
Experience : 4 Months

5. **Ms. Shobhika**

Designation : Asst. Prof.
Qualification : M.Tech.
Subject : S.E.
Experience : 4 Months

6. **Er. Chaman Lal**

Designation : Asst. Prof.
Qualification : M.Tech.
Subject : M.E.
Experience : 5 years

7. **Er. Jyotsna Dogra**

Designation : Asst. Prof.
Qualification : M.Tech.
Subject : E.C.E.
Experience : 1 year

8. **Er. Virender Kumar**

Designation : Asst. Prof.
Qualification : M.Tech.
Subject : M.E.
Experience : 4 year

9. **Mr. Abhishek Dhawan**

Designation : Asst. Prof.
Qualification : M.Tech.
Subject : S.E. & C.M.
Experience : 4 Months

10. **Ms. Deepika Sood**

Designation : Asst. Prof.
Qualification : M.Sc. Maths
Subject : Mathematics
Experience : 1 years

11. **Er. Suneet Gupta**

Designation : Asst. Prof.
Qualification : M.Tech.
Subject : I.T.
Experience : 5 years

12. **Er. Vedant Singh**

Designation : Asst. Prof.
Qualification : M.Tech.
Subject : M.C.F.D.&
H.T.
Experience : 1 year

13. **Er. Naveen Kumar**

Designation : Asst. Prof.
Qualification : M.Tech.
Subject : Production
(M.E.)
Experience : 3 years

14. **Mr. Omkar Sharma**

Designation : Asst. Prof.
Qualification : M.Sc.
Subject : Physics
Experience : 3 Years

15. **Mrs. Ankita Chaudhary**

Designation : Asst. Prof.
Qualification : M.A.,
Ph.D.(PU)
Subject : English
Experience : 1 Year

16. **Mr. Hemant Kapoor**

Designation : Asst. Prof.
Qualification : M. Phil
Subject : Economics
Experience : 5 Years

17. **Mr. Narender Singh**

Designation : Asst. Prof.
Qualification : M.C.A.
Subject : Computer
Experience : 3 Years

18. **Mrs. Kalpana Gupta**

Designation : Asst. Prof.
Qualification : M.Phil.
Subject : Commerce
Experience : 3 Years

19. **Ms. Sweta Sharma**

Designation : Asst. Prof.
Qualification : M.Sc.
Subject : Mathematics
Experience : 1 Year

School of Management

In the changing global scenario the importance of management has increased in our life. Applying the critical thoughts in management one can live a better and comfortable life.

The aim of School of Management is to deliver an education to the students to meet the standard of the corporate world and the dedicated faculty is endeavouring towards the goal of the school.

Master of Business Administration (MBA)

Duration : 2 Years (Four Semesters)

Seats :- 40

Eligibility and Admission : The admission to MBA degree course shall be made in the order of merit of valid score of National Level Tests CAT, CMAT, MAT, etc. respectively.

In case seats remain vacant after exhausting the merit of National Level Tests the same shall be filled up on the basis of merit of HPCET of the corresponding year.

In case the seats remain vacant after exhausting the merit level tests and HPCET, the remaining seats will be filled up on the basis of Bachelor degree of examinations conducted by any recognized University.

Note : The minimum cut off marks to seek admission to MBA degree course on the basis of National, HPCET and bachelor degree examinations shall be as follows :

Name of Examination	General Categories	Reserved Categories
CAT, CMAT, MAT, etc.	10%	05%
HPCET	20%	15%
Bachelor Degree	60%	55%

Wherein the %age indicates the marks obtained by a candidate in the Entrance Test / Bachelor Degree Examination out of the total marks assigned to the Entrance Test / Examination.

Faculty

- Dr. A.S. Guleria**
Designation : Professor
Qualification : Ph.D.
Experience : 40 years
- Dr. Jatinder Kaur**
Designation : Asstt. Prof.
Qualification : M.B.A.,
Ph.D.
Experience : 5 years
- Mr. Hemant Kapoor**
Designation : Asst. Prof.
Qualification : M.B.A.
M.Phil.
Experience : 2 Years
- Ms. Deepika Singh**
Designation : Asst. Prof.
Qualification : M.B.A.
Experience : 2 Years

School of Basic Sciences

Courses : M.Sc. Chemistry, Zoology
M.Phil. Chemistry, Zoology
Ph.D. Chemistry, Zoology

M.Sc. Chemistry

Duration : 2 years (Four Semesters)

Seats : 30

Eligibility : A candidate who has passed Bachelor degree of a recognized university with chemistry as one of the subjects of study with 50% marks (45% for SC/ST).

Admission : Admission will be made on the basis of merit in the Entrance test conducted by Abhilashi University.

Faculty

1. **Dr. S.C. Chauhan**
Designation : Professor
Qualification : Ph.D.
Experience : 34 years
2. **Dr. S.K. Shukla**
Designation : Assoc. Prof.
Qualification : Ph.D.
Experience : 10 years
3. **Dr. Anushree Gupta**
Designation : Asst. Prof.
Qualification : Ph.D.
Experience : 3 Years

M.Sc. Zoology

Duration : - 2 years (Four Semesters)

Seat - 30

Eligibility : - A candidate who has passed Bachelor degree of a recognized university with Zoology as one of the subjects of study with 50% marks (45% for SC/ST)

Admission : Admission will be made on the basis on merit in the entrance test conducted by Abhilashi University.

Faculty

1. **Prof. H.S. Banyal**
Qualification : M.Sc. (Hons.) Ph.D.
Experience : 36 years
2. **Ms. Nisha Devi**
Designation : Asstt. Prof.
Qualification : M.Sc. M.Phil
3. **Dr. Swati Gautam**
Designation : Asst. Prof.
Qualification : Ph.D.

School of Education

Master in Arts M.A. (Education)

Duration : 2 years (Four Semesters)

Seat : 40

Eligibility : A candidate who has passed bachelor's degree in any stream from a recognized University with 50% marks (45% for SC/ST). In addition, 10% weightage on the marks obtained in B.Ed Examination will be given to the candidate possessing B.Ed. degree from recognized university.

Admission : Admission will be made on the basis of merit in the Entrance test conducted by Abhilashi University.

Faculty

1. **Dr. Promila**
Designation : Professor
Qualification : M.Ed., M.Phil, Ph.D.
2. **Dr. Anoop Kumar**
Designation : Assoc. Prof.
Qualification : M.Ed., M.Phil, Ph.D.
3. **Dr. Anita Devi**
Designation : Asstt. Prof.
Qualification : M.Ed., M.Phil, Ph.D.

Academic Calendar for the Session 2016-17 Odd Semester

Sr. No	Activity	Date
1	Admission, Registration & Teaching	August 01, 2016
2	Mid-Term -I Examination	Sept 19-21, 2016
3	Mid-Term -II Examination	Nov 19-23, 2016
4	End Semester Practical Examination	Nov 25-28, 2016
5	End Semester Theory Examination	Dec 01-31, 2016
6	Winter Break	Jan 01-31, 2017
7	Declaration of Results	Jan 20, 2017

EVEN SEMESTER

Sr. No	Activity	Date
1	Admission, Registration & Teaching	Feb 01, 2017
2	Mid-Term -I Examination	March 16-18, 2017
3	Mid-Term -II Examination	May 15-17, 2017
4	End Semester Practical Examination	May 30 - June 02, 2017
5	End Semester Theory Examination	June 05-30, 2017
6	Summer Break	July 01-31, 2017
7	Declaration of Results	July 20, 2017

For D. Pharmacy (Annual System) the annual examination will be along with the even semester/end semester examination. The rest remain the same.

Mentoring

The University has adopted Mentoring System. Faculty members deputed as the mentors of the students. 20 students of each course placed under each mentor. The mentors will monitor:

The academic progress and attendance record of the students.

To have the contact Nos. of students, their parents/ guardians.

To inform the academic progress, attendance, good qualities and drawbacks of the students, if any monthly.

Behaviour of students in the classroom, hostel as well as in the University.

Any other information which deema fit to respective dean and respective mentor be also passes to the parents monthly.

Internal Quality Assurance Committee (IQAC)

In pursuance to the Section 25 of the Abhilashi University (Establishment and regulation) ordinance, 2014 (H.P. ordinance No. 3 of 2014) the university has constituted internal Quality Assurance Committee.

Sikkim Cell

The University has constituted the Sikkim Cell for the welfare of the Sikkimese students.

Fee

Fee for different courses will be as approved by the Government of Himachal Pradesh for the session 2016-17 and the details be provided to the students at the time of admission as it has not been so far notified by the state Government.

Refund of Fee

Fee once paid is not refundable. If a student withdraws before the last date of admission and the seat filled with wait list candidate then the entire fee collected from the student, after a deduction of the processing fee of Rs. 1000/(one thousand only) shall be refunded.

Scholarship Schemes

Tuition fee waiver for H.P. Board of School Education topper in the class admitted in our University.

All scholarship schemes of H.P. Govt. for higher education are made available to the students.

Reservation in Admissions

At least 25 percent seats for admission to each course shall be reserved for students who are Bonafide Himachalis and the remaining 75% seats open to all over India and abroad. Seats for admission in the University, for the students belonging to Scheduled Castes, Scheduled Tribes and Other Backward Classes, handicapped students and BPL/IRDP shall be reserved as per policy of the State Government.

The 10% (ten percent) seats shall be reserved for the Himachali Bonafide BPL/IRDP candidates as per the provisions made by various Regulatory Bodies.

Eco-Clubs

These clubs play a very important role in creating environmental awareness among the students. They undertake various eco-friendly activities, motivate students to keep the environment neat and clean by minimization of waste production, proper disposal of waste, effective use of water and undertaking plantation of trees. They also organize Quiz, Essay and Painting competitions regarding various environmental issues and educate the students about the reuse of waste material and preparation of useful products out of the waste.

National Service Scheme (NSS)

The University has been given permission by the Govt. of Himachal Pradesh for establishment of One Unit (comprising of 100 volunteers) of National Service Scheme (NSS) in the University.

Dean Students Welfare

The office of Dean Students Welfare co-ordinates various activities for the welfare of the students. It aims at social harmony and peace in the campus and makes good citizens of India in addition to good academicians. DSW allots hostel accommodation to students. He supervises sports and cultural activities of the students. He also organizes debates, declamation contests and quiz competition programmes. The office also organises different cultural and academic tours for students during holidays.

Hostel

*H*ostel is home 'away from home'. At the end of each academic day a student feels completely exhausted and requires recharge of physical and mental energy. All these call for a comfortable residential accommodation which provides the necessary ambience for group interaction and learning situations, for achieving academic excellence.

University has constructed well-furnished separate hostels for boys and girls. It is accepted that the quality and availability of lodging is a major concern to all the students, and due to this our University has given them first class facilities which include the following :

1. Separate hostels for boys and girls.
2. Well furnished, spacious, clean with excellent

hygiene, modern style rooms.

3. Lodging is divided into single or double/triple sharing rooms.
4. Rooms are properly ventilated, spacious and equipped with separate beds, study tables and cupboards.
5. Each floor has facility for clean bathrooms and toilets.
6. Hot water is provided through solar heating system.
7. 24-hour water and power facility.
8. Common room with all amenities like television, newspapers and magazines.
9. Mess facility managed by dedicated teams of employees for cooking and sanitation.
10. Highly dedicated security personnel who ensure proper security to students.
11. Round the clock security of the campus and the hostel managed by a private agency.

Admission:

1. Students seeking admission to the hostel will have to apply to the Warden of the hostel(Boys / Girls) at the time of admission in the university.
2. The names of the candidates approved by Dean Students Welfare will be conveyed to the Warden.
3. The selected students will have to take admission in the hostel allotted to them within the stipulated time by paying the requisite fee in the accounts branch of the university.
4. After depositing the fee by the student, Warden will allot room to the student in the hostel. The boarder will receive furniture, cot, and cupboard for his/her room from the Warden. Once the hostel admission is over, Warden will submit the list of hostel boarders to Dean Students Welfare.

Hostel Charges:

According to H.P. Govt. norms.

Hostel rules and regulations:

General Rules :

1. The hostel authorities will not be responsible for any loss/damage of private property such as cash / mobile phone/scooter/motorcycle and other valuables. The residents are advised to get their vehicles insured against loss, theft and fire.
2. When the student vacates his/her room before summer break or after withdrawal or expulsion, he/she will return to the warden all hotel furniture and other property issued to him/her failing which he/ she will be liable to pay the entire cost of such furniture or other property.
3. Any violation of rules and regulations will be subject to strict disciplinary action and parents of the ward informed accordingly. Disciplinary action includes any or all of the following penalties in accordance with the nature and seriousness of the offence:-
 - a. Payment for the repair or replacement of the article(s) damaged.
 - b. Suspension from the hostel for a specified period of time or expulsion from the Hostel / University.
 - c. A student admitted to hostel cannot withdraw from the hostel during the session 2016-17 i.e. upto July 2017.
4. Hostel is compulsory for BAMS students

Note : Orders / Decisions notified from time to time by the Hon'ble Vice -Chancellor / Dean Students Welfare / Warden will be binding on the residents.

Attendance & Leave Rules :

1. The gates of the hostels will close and open at fixed time. This will be put up on the notice board and the students will strictly adhere to it.
2. A resident shall, under all circumstances, take permission from the Warden before leaving the hostel overnight. He/ She shall sign the register maintained for the purpose at the hostel gate.
3. In the event, the University decides to increase the timings of library and other facilities, the University will make adequate arrangements for girl students.
4. The names of the residents absenting themselves without permission for three days or more may be struck off the rolls of the hostel and possession of their rooms taken by the warden.

Behaviour & Discipline

All residents shall have their meals in dining hall in the hostel. No resident will take his/her food to his/her room except in case of ill health and with the permission of the Warden. Students will maintain perfect discipline, harmony and a peaceful atmosphere in the hostel and refrain from the following:

1. Teasing, maltreating or indulging in any sort of ragging of newly admitted students.
2. Stealing or pilfering Hostel/University or the property of other students.
3. Unruly conduct or rowdism.
4. Writing on the walls or other parts of the hostel buildings or sticking of posters or distribution of unauthorized handbill or notices.

5. Making noise and/or creating other disturbances, including the use of electronic or radios, in such manner as to disturb others.
6. Participating or causing others to participate in disturbances of any kind or behaving or causing others to behave in such a way so as to bring the Hostel/ School/University into disrepute.
7. Changing rooms and transfer any furniture from one room to another without the prior permission of the hostel warden.
8. Causing any damage to hostel/University property.
9. Using of electric heaters, rod, and electric press etc.
10. Smoking, consumption of alcoholic drink, using drugs or any other intoxicating substances. Any resident found indulging in such practices shall be fined heavily and will be asked to vacate the hostel without any notice.
11. Acts of indiscipline, misbehaviour, gambling, or possession of weapons in the hostel premises including room. A resident guilty of any of these violations shall be liable to expulsion or any other punishment deemed fit by the authorities. In case a student is expelled from the hostel his/her case for allotment of room in the hostel will only be considered after two semesters.

Facilities

For Physically Challenged Persons

Physically challenged persons are also the part and parcel of the society and they contribute towards the development of the country. In Abhilashi University ramps are constructed for access to each block. In addition tricycles, wheel chairs, walking sticks, crutches and hearing aids are provided by the University. There is an elevator installed in the Administrative block.

Medical Facility

Abhilashi University has 60 bedded Abhilashi Hospital on the campus providing efficient medical and paramedical staff and well equipped laboratory with facilities for clinical investigation of Blood, Urine, Stool, Biochemistry investigations, X-Ray, Ultrasound, ECG, Panchkarma and Kshaisutra. Hospital has also provided OPD and IPD emergency facilities for the students, employees and the public.

Transportation

Transportation charges per semester to be paid by the students at the time of admission for availing the university bus service as follows:

Transportation charges per semester from different basis are as under :-

Digital Library has twenty four terminals with internet facility.

University Canteen

Canteen is the ideal place for the staff and the students to refresh after the busy classes schedule. Abhilashi University has a canteen being managed by a private party. University has provided the necessary infrastructure required for the canteen. Canteen is supervised by the university canteen committee, providing food and snacks to students and staff at very nominal rates.

Placement Cell

Placement of the students in corporate world is the priority of Abhilashi University. The University makes all efforts to provide the best possible placement to its students in corporate houses not only in Himachal Pradesh but also in other parts of India. For this University has established 'placement cell' for interacting with the corporate world. The cell is making efforts to provide the best quality placement to all the students under the visionary leadership of Hon'ble Vice Chancellor of the University.

Computer Labs

In addition to separate computer facilities available in each department, there are two central computer laboratories well equipped with advanced computing systems to provide free internet access to all the students. The computers are of advanced configuration and latest software available to provide good training facilities. The entire campus is connected through internet facility. The multimedia computers in the campus provide a good facility for the students and employees and make a best quality learning and innovative teaching environment.

Wi-Fi Facility

The campus is equipped with Wi-Fi facility. Each students has access to internet through his/her id and password

Sports Facility

Sports activities make the body healthy and strong. University provides sports facilities of both the types, indoors and outdoors games on the campus. There is big playground having 5,000 m² area.

Conference Hall and Seminar Hall

Abhilashi University has two conference halls which are well equipped with modern facilities. They are used as per the needs of the students and staff members for various purposes like presentations and discussions. The academic life in Abhilashi University goes beyond the curriculum and for such activities a centrally located seminar hall is available. It provides an ideal platform for guest lectures, seminar presentation for students to express themselves, general cultural and other functions of the University.

Extension Programme

Agriculture

Extension education is a two way process. The School of Agriculture actively involved in extension programme and the farmers of the region are educated about the latest technologies in Agriculture. In order of achieve this, farmers' training camps are held in the villages, farmers' day depicting the latest technologies are organized at the campus through exhibitions, live exhibits, lectures from experts and entertaining the questions from participating farmers. In the reciprocal process, the experts visit farmers fields to study their problems first hand. The students, as a part of their course curriculum, visit farmers in the rural areas in the villages and acquaint themselves with their problems. In addition, the students go on educational tours to neighboring Agricultural Universities, Research Centres and modern farms to acquaint themselves about the latest developments in the field of Agricultural Education.

Pharmacy

To facilitate the link between university and community various extension activities for the welfare of the society in large scale is regularly being conducted through its Pharmacy awareness programmes, providing knowledge on different medically important herbs and uses and also provide platform in organizing regional and national level workshops, seminars, conferences, newsletters and symposia.

Abhilashi Ayurvedic College and Research Institute

Abhilashi Ayurvedic College and Research Institute is also carrying out the extension of Ayurvedic Knowledge to public of the area by adopting village under "Swachh Bharat Mission" Further, the public is also made aware regarding hygiene, sanitation, preventive and precautionary treatment. Furthermore, monthly health camps, blood donation camps and ksharsutra camps for treating the piles patients are also being organized.

Entrepreneurship

Entrepreneurship is the activity of risk taking and deliberately allocating the resources to exploit opportunities in order to maximize the financial return. It is the process of risk taking and deal with uncertainty. In entrepreneurship we have to plan a good business model. The entrepreneurship leads to economic growth of the organization which is must for its sustainability. Abhilashi University is making efforts in the entrepreneurship as starting the agriculture farm for the supply of agricultural products, Pharmacy for medicinal products. An Ayurvedic Hospital at Chail-Chowk is already being run by the University.
