

ABHILASHI UNIVERSITY

Abhilashi University established by Government of Himachal Pradesh vide “Abhilashi University (Establishment & Regulation) Act, 2014” and recognized by UGC under section 2 (f) and 22 (1) of the UGC Act, 1956

PROSPECTUS - 2018-19

COURSES OFFERED

B.A.M.S. ♦ B.P.T. ♦ M. Pharmacy (Pharmaceutics, Pharmaceutical Chemistry & Pharmacology) ♦ B. Pharmacy (Allopathy) ♦ Diploma in Pharmacy (Ayurveda) ♦ Diploma in Pharmacy (Allopathy) ♦ 2 Years Veterinary Pharmacist Training Course ♦ B.Sc. (Hons) Agriculture ♦ M.Sc. (Zoology, Chemistry, Mathematics) ♦ MA (Education) ♦ B. Tech. (CE, CSE) ♦ M. Tech. (CE) ♦ Ph.D. (Zoology, Chemistry, Pharmacology, Pharmaceutics, Pharmaceutical Chemistry, Education, Management) ♦ M.B.A. ♦ BA.LL.B

**“ We should indulge in God
remembrance every moment. ”**

We should always remember the formless God. We must never forget the presence of formless God. It is generally said that God remembrance is not mere recitation. Yes, that's true and we don't have to indulge in recitation. But we must feel his presence every moment. We are not bound by any particular time or place for God remembrance. But like when our mobile phones do not get any signals, we use land line phones to make a call, similarly, if one feels that he/she is lacking in 'Sumiran' then one should sit with family members for 'Sumiran'. Don't think that you were not told that earlier. In fact, it was not told but one should remain consciously aware about paying attention to 'Sumiran' in any way so that our faith should remain firm and unwavering. God remembrance leads to large heartedness as well as broad-mindedness that saves us from unnecessary complications. 'Sumiran' opens the door to progress.

**- Satguru Baba Hardev Singh Ji Maharaj and
Satguru Mata Savinder Hardev Ji.**

EXCELLENCE.

Late Sh. T.R. Abhilashi Ji
(24 Oct., 1940 to 15 Dec., 2005)

ABHILASHI UNIVERSITY - AN INTRODUCTION

Abhilashi University at ChailChowk, Mandi is established by the Government of Himachal Pradesh vide “Abhilashi University (Establishment & Regulation) Act, 2014”. Abhilashi University is a Government recognized University with a right to confer degrees as per Section 2(f) and 22(1) of the UGC Act, 1956. The campus of the University is located at ChailChowk near Mandi (H.P.) and surrounded by lush green fields, pine and oak forests thus becomes an ideal place for study in a clean health-oriented environment. The aforesaid was the forethought for the Abhilashi Educational Society selecting such a beautiful location for the University. There are a number of places worth visiting nearby the University such as Nachan Valley, Jeeuni Valley, Janjehli Valley, Balh Valley, Sundernagar and Mandi towns. One can also enjoy snowfall once a while during the winter season. The fresh and pollution free air of this region keeps the minds of the students fresh and help them to concentrate on their studies and beat the crowd.

The management of the University, Abhilashi Educational Society, is a pioneer in managing private educational institutions in the state of Himachal Pradesh. The foundation stone of the Society was laid by Late Sh. Tulsi Ram Abhilashi Ji on May 21, 2001.

The students and their parents have put faith in the quality education imparted by efficient and dedicated faculty of institutions managed by Abhilashi Educational Society for the last 16 years. The Society is presently running many educational institutions of basic and technical education in the region. It includes: Abhilashi PG College of Education at Nerchowk, Mandi established in 2003 and running D.El.Ed and B.Ed., Abhilashi College of Pharmacy, Nerchowk, Tehsil Balt, Distt. Mandi from 2006 and onwards admitting students for B. Pharmacy Degree Programme; Abhilashi P.G. Institute of Sciences at Nerchowk, Tehsil Balt, Distt. Mandi offering M.Sc. Courses in Physics, Chemistry and Botany, T.R. Abhilashi Memorial Institute of Engineering and Technology (TRAMIET) established in 2009 imparting education in the B. Tech. and Diploma programme in different disciplines of engineering and technology. Abhilashi College of Nursing at Tanda, P.O. Balt, Distt Mandi is imparting education in B.Sc. Nursing, GNM, ANM and Post-Basic B.Sc. Nursing courses.

Vision

Excellence in professional and technical education through dedication and innovative research.

Our Mission

- To provide environment for achieving excellence in education.
- To create and generate conditions for quality education.
- To impart quality education through value-based & industry-based curriculum.
- To strengthen in humanistic, social and moral values.
- To plant education and qualities of leadership in minds of students for future development of the nation.

From Chancellor's Desk

Education is the driving force for effecting change in a person, community, society, and nation. It breaks the barriers of caste, creed, ethnicity and religion by training the minds to think logically; envision, innovate, invent and discover methods for creating a harmonious and sustainable society with skills, positive mindset, knowledge and high values of life. Education being so important, therefore, the mission of the Abhilashi University is “To provide environment for achieving excellence in education through leadership-based, value- based & industry-based curriculum for the overall development of the minds of students for the future development of the nation in turn”.

To achieve the above mission, the University has proactively hired highly qualified faculty and developed innovative as well as research oriented infrastructure with an academic atmosphere where the overall personality of the students can be developed in such a way that they have cutting edge in knowledge, skills, innovations, analysis and in independent thinking.

The Abhilashi University is one of leading Universities of north India which has been successfully approved by the 1st Inspection Committee of the University Grants Commission within two years of its inception. Further, the University has the approval of University Grants Commission under section 2(f) and Section 22 of UGC Act, 1956 and a member of AIU (Association of Indian Universities), Central Council of Indian Medicine, Pharmacy Council of India, Bar Council of India, Himachal Pradesh Para Veterinary Council and Indian Association of Physiotherapists.

It is my pleasure to extend warm welcome to all the prospective and aspiring students of Abhilashi University and other Institutions of Abhilashi Group and I honestly assure them that they will shine in their career, beat the crowd of this competitive world and realize their cherished missions after completing their education from our University and other Institutions of higher learning.

Dr. R.K. Abhilashi
The Chancellor

From Pro-Chancellor's Desk

The education is the source of emancipation from the shackles of social, moral, physical and metaphysical evils. It enlightens the individual and helps him/her in developing the capability of creativity, critical analysis, independent thinking, transforming the quality of human life and professional freedom.

As education and knowledge are of paramount significance for the different sections of the society, therefore, the Abhilashi Educational Society has developed a hub of educational institutions in and around the Nerchowk town of Mandi District (H.P.). Majority of the institutions are situated in the rural area so that the students can get a serene, calm, pollution-free academic environment for concentrating in their studies, innovating and becoming an asset to the society. The other reason for situating and developing the educational institutions in the rural area, is the pious mission of the Abhilashi Educational Society to improve the quality of life of the rural people by education, employment and other means of entrepreneurship such as opening hostels, paying guest houses, grocery shops, tea shops and other means of livelihood possible at their thresholds.

The vision of the Abhilashi University is “Excellence in professional and technical education through dedication and innovative research”. Thus to achieve this mission, the University has adopted a very high standard of education which gets reflected through the recognition of the University by the University Grant Commission Inspection Committee and AICTE Expert Committee and the ratification of the same by the UGC within a period of two years of the establishment of the University. Further, the standard of the University has also been applauded by the other bodies such as PCI, BCI, CCIM and H.P. State Para Veterinary Council.

It is my pleasure to extend warm welcome to all the prospective and aspiring students of Abhilashi University and other Institutions of Abhilashi Group and I honestly assure them that they shall shine in their career and beat the crowd of this competitive world.

Dr. L. K. Abhilashi
Pro-Chancellor

श्री लक्ष्मी एज्युकेशनल सोसायटी

Vice-Chancellor's Message

Professor Amar Singh Guleria (B. 1950) has served Agro-Economic Research Centre, Himachal Pradesh University, Shimla (1973-1977); Indian Institute of Management, Ahmadabad, IIMA (1978-1983); Department of Economics, Himachal Pradesh University, Shimla (1983-92); and Population Research Centre, Himachal Pradesh University, Shimla (1992-93). Till his retirement, Dr. Guleria worked as Professor and Head of the Economics Department at Himachal Pradesh University (CES), Shimla (1993-2010). Thereafter, he joined the Abhilashi Group of Institutions (AGI) and continued to be the Director of Abhilashi Institute of Management Studies (AIMS), Nerchowk, Mandi (2010-2014). He also worked as Director (TRAMIET) and Group Director of AGI in 2015. Professor Guleria was a founder Dean of Studies and Director Research of the Abhilashi University, Mandi (2014 -2017). Currently, Professor Guleria is the Vice-Chancellor of Abhilashi University, Chail-Chowk, Mandi (HP).

Higher education is considered as a vehicle of social, economic, political, cultural transformation and growth & development, Education which one receives after 12th standard in colleges, universities, institutes and deemed universities is higher education that includes diploma, undergraduate, postgraduate and doctoral degree study programmes. The 21st century is going to be the knowledge century and economic growth will be linked with human resources, development, gross enrolment ratio in higher education which is important indicator of development, In India It is 15% as compared to USA (89%), Russia (76%), UK (59%), France (55%), Malaysia (40%) and China (24%). Further, there are vast discrepancies in this regard amongst women, SC, ST, rural and urban populations. This is a challenge as well as opportunity to establish educational institutions especially in the private sector to provide and improve higher education system in India. The large population in the age group of 15-24 years in India is the prospective entrants in higher education. The number of institutions required to achieve GER 30 % or above in higher education has to be increased tremendously and government alone cannot achieve this task and thus the private sector has a big role to play. Universities which have adequate infrastructure for teaching and research, well qualified and innovative faculty, academic and industrial collaborations at national and global level will be in demand. Active dialogue among academia, industry, government and all stakeholders is inevitable to address the challenges in higher education and grab the opportunities to make our country a knowledge hub or power in the world. Abhilashi University is an attempt in this direction which was established in 2014 and dully approved by UGC. University is located In Himachal Pradesh with in North-west Himalayan region. The end product of education at Abhilashi university create and train human resource to protect the interest of man and nature we inspire and ignite mind of graduate , post graduate and scholar of eminence to fuel unprecedented growth & development to wipe out poverty, hunger, disease, unemployment , enormous pollutions and advance the frontiers of knowledge, shrink the boundaries of ignorance and ensure happiness all around. The University has excellent lecture halls, laboratories, seminar halls, tutorial rooms, computer labs, play grounds, hostels and well equipped hospital of Abhilashi Ayurvedic College & Research Institute with highly professionally qualified team of doctors, faculty members and supporting staff. The University has fully Wi-Fi campus. Therefore, to ensure better career and bright future with appropriate placement, I welcome the students, parents and new entrants for their choice and association with Abhilashi University.

Pror. A. S. Guleria
Vice-Chancellor

Message from the Desk of Registrar

The employability and employment depend upon the type of education imparted to the future workforce by the Universities. Currently the education is planned fully balanced in terms of quantity and quality, skills and abilities, knowledge and perception, information and technology & attitude and aptitude for providing useful stakeholders for the future.

As the scope and responsibilities of Universities are expanding more rapidly due to borderless world, it is imperative for the Universities to be ready for imparting latest knowledge to their students by remodelling the curriculum and blending the professional & technological education for the overall academic development of the students for creating excellent skilled workforce for the country. Our University is well equipped in all respects to meet this challenge and achieving the aforesaid by employing highly qualified faculty and following the interactive teaching & learning techniques which multiply the world changing ideas.

Abhilashi University was established in the year 2014 and it has progressed very well. However, the University has earned its name in the country. The university will equip all the students with the wisdom to lead their lives in a righteous and responsible manner. It will offer its students an atmosphere for the development of character with enriched virtues and noble ideals. Hence the system of education in the university will be holistic one which will draw out the knowledge, values and wisdom present in a latent form in the student and synthesis of science and spirituality will be an important component of the whole process. This University will not merely prepare students for earning degrees but will cultivate self-knowledge and self-realization. University education will be integrated harmoniously with ethical, physical, and metaphysical teachings. We will integrate approach of value oriented education through all academic programmes and activities. Our stress will be on character building of the youth and integration of academics with sports, arts, and social service. We will create a spiritual ambience and disciplined environment in the University campus which is the backbone of any civilized society. Efforts will be made to blend contemporary knowledge with inherited values for societal benefit by inculcating the spirit of self-reliance among students. Our Placement Cell has successfully placed large number of our passed out students in the public and private sector jobs. On the whole, we hope all applicants would seek admission at large numbers and get benefitted.

Admission for Session 2018-19

Abhilashi University aims to impart quality education to its students by applying modern scientific techniques. University follows CBCS and Semester System (Annual System for BAMS, BPT and Diploma in Pharmacy) for teaching and evaluation. Each semester of study has minimum requirement of attendance and pass percentages in theory and practical examinations. Each course is defined in terms of credit hours for lectures, tutorials and practical classes. A student is registered to each course in the beginning of the programme. The duration of the course is given under the respective faculty. Each semester will have mid-term and end-term semester examinations.

Admission to academic session 2018-19 will be based on National Level/State Level Entrance Test, Combined Entrance Test (AUCET-2018) and on the basis of marks in qualifying examination.

Documents required at the time of Admission :

The following certificates/ documents (self attested by the candidate) be submitted along with the admission form:

1. Three passport size photographs.
2. Matriculation certificate.
3. 10+2 Examination pass certificate.
4. Detailed marks sheets of all semester of graduation in case student is seeking admission in post graduation programme.
5. SC/ST/OBC certificate, if applicable.
6. Original Character certificate from institution last attended. In case there is a gap in studies character certificate issued by Tehsildar/SDO (C) of the area.
7. Original Migration Certificate. In case it is not available at the time of admission then the student may submit it within one year failing which result of third semester will not be declared.
8. An affidavit in case there is a gap in studies.
9. Copy of Aadhar Card.
10. Low income group candidate may submit income certificate issued by Tehsildar/SDO (C) for scholarship.

Important Dates for AUCET- 2018

Abhilashi University will admit students for the session 2018-19 in the disciplines of Ayurveda, Agriculture and Basic Sciences through Entrance Test AUCET-2018. The examination centres for AUCET-2018 will be at Chailchowk and Gangtok (State of Sikkim).

The schedule of examination is given below:

Course	Last Date of Applications	Date of Entrance Test	Eligibility
BAMS	As per notification of NEET		50% in 10+2 (Medical) with valid NEET score 05% relaxation for SC/ST
B.Sc.(Hons.)Agriculture	20/05/2018	27/05/2018	AUCET are 60% in 10+2 (Science) for Gen. and 55% in 10+2 (Science) for SC/ST
B.A.LLB (5 Years)	30/06/2018	15/07/2018	10+2 50% in 10+2 (Any Stream) for Gen. and 45% in 10+2 (Any Stream) for SC/ST
M.Sc. in Zoology, Chemistry and Mathematics	19/07/2018	22/07/2018	AUCET -2018 or 50% in B.Sc. for Gen. and 45% in B.Sc. for SC/ST
B.P.T	26/05/2018	26/07/2018	AUCET or 50% in 10+2 (Medical) for Gen. and 45% in 10+2 (Medical) for SC/ST
Ph.D. in Zoology, Chemistry, Pharmacy, Education and Engineering	30/07/2018	25/09/2018	M.A./M.Sc./M.Phil./M.Pharm.in related subject.
B. Tech	27/05/2018	–	JEE/HPCET or 45% in 10+2 (Non-Med) for Gen. and 40% in 10+2 (Non-Med) for SC/ST
B. Pharmacy	27/05/2018	–	HPCET or 45% in 10+2 (Science) for Gen. and 40% in 10+2 (Science) for SC/ST
M.B.A.	24/05/2018	–	CMAT/HPCET or 50% in Graduation (Any Stream) for Gen. and 55% in in Graduation (Any Stream) for SC/ST.

- Admission to other programmes will be made on the basis of merit/ marks obtained in National level/ State level/ Other state level tests conducted by Govt. of Sikkim/ Manipur/ Arunachal Pradesh/ Tripura/ merit in qualifying exam.
- Lateral Entry candidates will be admitted directly to B.Tech. and B.Pharmacy.
- MCQ type test will be of two hours duration for each course.

Abhilashi Ayurvedic College and Research Institute

(A Department of Abhilashi University)

Dr. D. K. Mishra
Principal

Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University) is situated at such a place, the surrounding of which are so picturesque which make it more suitable for teaching and training of Ayurvedic College Education and Research. The surrounding flora is rich in important medicinal plants. Abhilashi Ayurvedic College and Research Institute (A Department of Abhilashi University) is running graduation level programme, Bachelor of Ayurvedic Medicine and Surgery (BAMS), which is recognized by Central Council of Indian Medicine (CCIM), Government of India, New Delhi. It is also running BPT and Diploma in Pharmacy (Ayurveda) courses

Abhilashi Ayurvedic College and Research Institute has its own multi-specialty 60 bedded hospital, well furnished pharmacy and herbal garden with more than two hundred species of medicinal plants. In addition to Central Library, Abhilashi Ayurvedic College and Research has its own working library with 9640 books.

Prof. D. K. Mishra completed BAMS from Sampurnanad Sanskrit University, Varanasi and M.D. Kayachikitsa from Institute of Post Graduate Training & Research in Ayurveda, Shyamadas Vidyapeeth, Kolkata. Prof. Mishra has more than 26 years of Teaching and administrative experience. He served as Professor and Vice Principal SGM Ayurvedic College and Hospital, Nandganj, SahariGhaipur, U.P.; Principal SUDC Hoshiarpur; Principal JIAR Jammu; Professor and Vice-Principal at Guru Nanak Ayurvedic College, Gopalpur, Ludhiana, Punjab.

Ayurveda is a system of medicine. When translated from Sanskrit, Ayurveda means 'the science of life'. It provides us the knowledge of how to prevent diseases and to eliminate the root cause if it does occur.

The Aims and Objectives:

1. To promote the growth and development of Ayurveda.
2. To produce graduates who can efficiently serve in Ayurvedic Health Services and also as Ayurvedic Practitioners.
3. To provide health care to patients by specialists of various fields of Ayurveda.
4. To co-ordinate with other State and National Health Services for providing complete health care.
5. To conduct “re-orientation” training programmers for Ayurvedic Physicians.
6. Programme and activities
 - i) Blood Donation Camps.
 - ii) Conference, Seminars and workshops on various health related issues.
 - iii) Swachta Abhiyan.

Bachelor of Ayurvedic Medicine and Surgery, B.A.M.S.

Abhilashi Ayurvedic College and Research Institute is running Bachelor of Ayurvedic Medicine and Surgery (BAMS) programme on the annual system of teaching and evaluation.

Duration: Five and half years including Compulsory Rotatory internship of one year.

Seats: 60

Eligibility & Admission Criteria:

Admission in BAMS Course will be done on the basis of merit in NEET and qualifying examination with minimum 50% in 10+2 (Medical) with valid NEET score 05% relaxation for SC/ST.

School of Agriculture

Agriculture plays an important role in the life of mankind from early civilization. It was the key development in the rise of sedentary human civilization, whereby farming of domesticated species created food surpluses that nurtured the development of civilization. It gained modernization with the passage of time. Modern agricultural practices are increasingly turning out to be knowledge based and hence gaining expertise in them is exceedingly important. Industrial agriculture based on large-scale monoculture farming has now become the dominant agricultural methodology.

India does require agricultural education at all levels so that Indian farmers are better equipped to handle the threats of globalization. There is yearly hike in the budget of agriculture sector in India. However, with the entry of foreign direct investment (FDI) in the agriculture sector, many MNC's have forayed into the segment with dozens of agro-products. Subsequently this has resulted as a threat to Indian farmers who lack professional expertise to deal with the issue in more sophisticated way. Hence the need of the hour is to give agricultural education a high priority. India is yet to emerge as a significant trade partner in the world agriculture market. There are exciting opportunities for youth in agriculture and many graduates in rural sectors follow career in farming, the management of agriculture and other rural businesses, consultancy and advisory roles to business firms in private or public sectors. There are also significant career opportunities in the area of food production and supply management including consumer research through manufacturing, distribution and the industries supporting agriculture and horticulture. The agriculture courses have immense opportunities under the "Start-up Scheme" launched up by Hon'ble Prime Minister of India.

School of Agriculture has been established in Abhilashi University under Faculty of Science in 2014. This school is offering B.Sc. (Hons.) Agriculture (4-year course spread over 8 semesters) with an intake capacity of 120 students. Under the co-education system, the students are admitted to the course after an entrance test conducted by the university.

After going through common and elective courses in Agriculture during the degree programme, we have in the course curriculum an exposure of the students in complete rural settings where the students will go and live along with farm families in the villages and have the first-hand experience of their living, agricultural practices, difficulties and expectations. Students will be attached to an agriculture based industry in order to acquaint themselves with post-harvest processing of agriculture produce and link agriculture production with industry. The student shall also be registered for opting two modules for skill development and entrepreneurship.

The school has highly qualified teachers, well equipped laboratories, class rooms and well laid out terraced student's farm representing typical hilly terrain. Occasional snowfall during the winter adds to the beauty of the university campus and places it at a location which is marginal to temperate as well as sub-tropical agro climatic conditions, thus enabling teaching and research under both the situations.

The practicals of the students training are backed by thorough field training and exposure at farmer's fields. The students are encouraged to participate in co-curricular activities, sports events and other cultural activities of local and national/international significance.

A group of 3-4 students is allotted a piece of land where they are required to raise the seasonal field and vegetable crops. The inputs are provided by the university and the students are required to raise the crops under the guidance of respective teachers. They are evaluated on the basis of field record and yield of crops. This provides them a good practical exposure.

Course: B.Sc. (Hons.) Agriculture

Duration: Four years (8 semesters)

Seats: 120

Eligibility: Candidates having passed 10+2 with science and secured not less than 60% marks in aggregate for general category and 55% for SC/ST who have qualified AUCET-2018. Candidates securing 50% marks in aggregate for general category (40% for SC/ST) who have appeared in state level entrance test conducted by CSKHPKV, Palampur or Dr. Y.S. Parmar University of Horticulture and Forestry, Nauni (Soln).

Admission: Admission will be made on the basis of merit in entrance examination conducted by Abhilashi University (AUCET-2018) or CSKHPKV, Palampur or Dr. Y.S.Parmar UHF, Nauni (Soln).

School of Basic Science

Basic sciences are the backbone of research in health, industry, water, earth and space. School of Basic Sciences offers graduate, postgraduate and doctorate programmes. The school is offering postgraduate degrees in the subjects of Chemistry, Mathematics and Zoology. In the Ph.D. program students have been enrolled in the departments of Chemistry and Zoology. The different departments of School of Basic Sciences have well equipped laboratories and classrooms. More emphasis is laid on the on-hand training to the students. Educational visits to curriculum oriented places and industries are undertaken during the program.

Course: M.Sc. Zoology
Duration: 2 years (Four semesters)
Seat: 30
Eligibility: A candidate who has passed Bachelor degree of a recognized university with Zoology as one of the subjects of study with 50% marks (45% for SC/ST)
Admission: Merit in the AUCET-2018.

Course: M.Sc. Chemistry
Duration: 2 years (Four semesters)
Seat: 30
Eligibility: A candidate who has passed Bachelor degree of a recognized university with Mathematics as one of the subjects of study with 50% marks (45% for SC/ST)
Admission: Merit in the AUCET-2018.

Course: M.Sc. Mathematics
Duration: 2 years (Four semesters)
Seat: 30
Eligibility: A candidate who has passed Bachelor degree of a recognized university with Mathematics as one of the subjects of study with 50% marks (45% for SC/ST)
Admission: Merit in the AUCET-2018.

Course: Ph.D. Zoology
Duration: 3 years
Seat: 4
Eligibility: A candidate who has passed Master degree/ M.Phil. in Zoology from a recognized university with 55% marks (50% for SC/ST) or NET/ SLET.
Admission: Merit in the AUCET-2018.

Course: Ph.D. Chemistry
Duration: 3-5 years
Seat: 2
Eligibility: A candidate who has passed Master degree/ M.Phil. in Chemistry from a recognized university with 55% marks (50% for SC/ST) or NET/ SLET.
Admission: Merit in the AUCET-2018.

Faculty of Education

School of Education

School of Education, Abhilashi University ensures to provide the better quality teaching fraternity to the State and the Nation. As a teacher is considered to be builder of the nation so in this tune role of good teacher becomes of paramount importance. Abhilashi University offers Two years M.A. Education and Ph.D. Education Programme to the future teachers.

Course: M.A. Education

Duration: 2 years

Seat: 40

Eligibility: Graduation or equivalent in respective field

Admission: Merit in the AUCET-2018 and as per the marks in qualifying examinations.

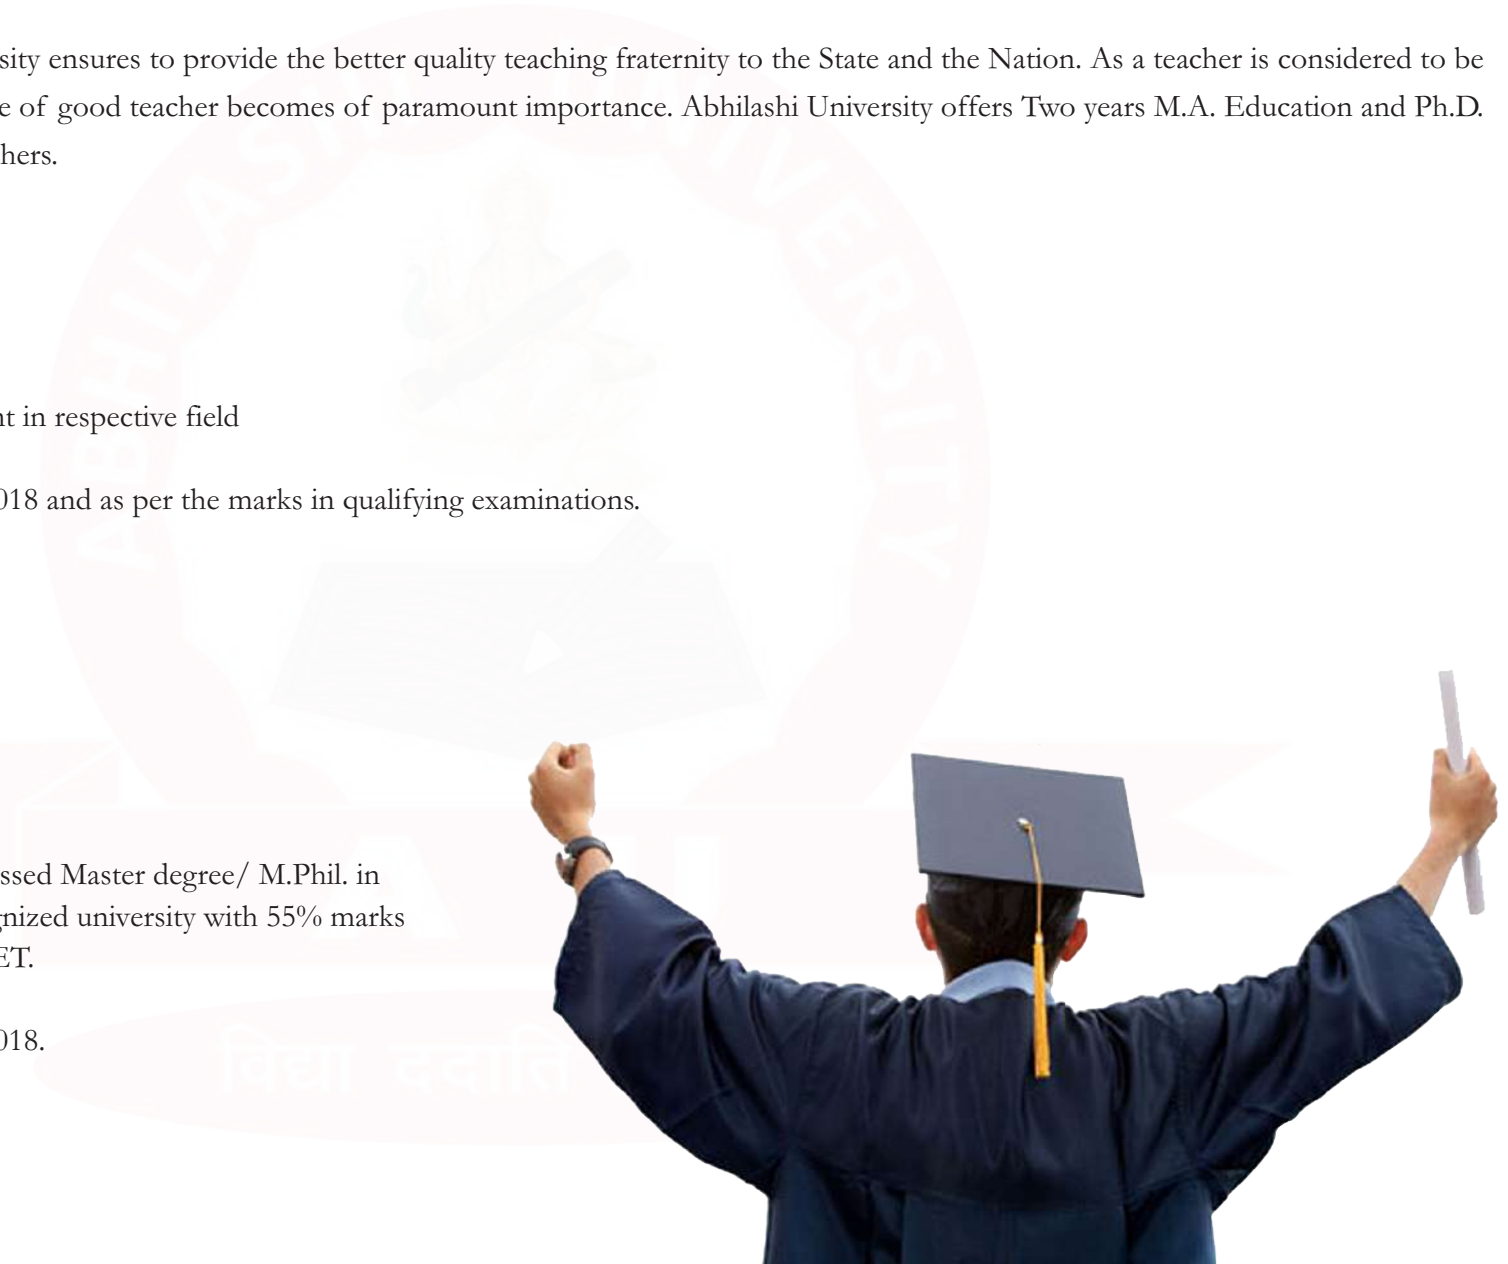

Course: Ph.D. Education

Duration: 3-5 years

Seat: 2

Eligibility: A candidate who has passed Master degree/ M.Phil. in Education from a recognized university with 55% marks (50% for SC/ST) or NET.

Admission: Merit in the AUCET-2018.

Faculty of Pharmacy

School of Pharmacy

School of Pharmacy is approved by PCI. Pharmacy is the science and technique of preparing and dispensing medicines. It is a health profession that links health sciences with chemical and biological sciences and aims to ensure the safe and effective use of medicines. The scope of pharmacy profession includes more traditional roles such as compounding and dispensing medicines to health care and clinical services, reviewing medications for safety and efficacy and providing drug information. Pharmacists are experts on drug therapy and are primary health care professionals who optimize use of medication for the benefit of patients and society. The teaching and learning process at Abhilashi University is designed to produce right combination of skills, knowledge and attitude.

Under-Graduate Programme

Bachelor of Pharmacy, B.Pharm.

Duration: 4 Years

Seats: 60

Eligibility: Admission will be made on the merit of HPCET or 45% in 10+2 (Science) for Gen. and 40% in 10+2 (Science) for SC/ST.

Lateral Entry: Passed Diploma in Pharmacy (Allopathy) examination from PCI approved institution with 45% marks for General and 40% for SC/ST category candidates.

Diploma in Pharmacy (Allopathy)

Duration: 2 years.

Seats: 60

Eligibility: Candidates having passed (10+2) with science examination/equivalent examination conducted by the recognized education Board/University. The eligible candidate should fulfil the minimum entry level qualifications prescribed by PCI or any other qualification approved by the PCI.

Post- Graduate Programme

Master in Pharmacy

(Pharmaceutics, Pharmaceutical Chemistry & Pharmacology)

Duration: 2 years (4 semesters).

Seats: Pharmaceutics 06, Pharmaceutical Chemistry 09, Pharmacology 12

Eligibility: The admission to M Pharmacy degree course shall be made on the basis of merit of valid GPAT score. In case the seats remain vacant after exhausting the merit of GPAT, the vacant seats will be filled up on the basis of merit of HPCET. In case the seats still remain vacant after exhausting the merit of National level test and HPCET, the seats will be filled up on the basis of merit of B. Pharmacy degree awarded by the recognized University having minimum 55% for Gen and 50% for (SC/ST).

Research Degree Programme:

Ph.D. in Pharmacy

(Pharmaceutics, Pharmaceutical Chemistry and Pharmacology)

Seats: Pharmaceutics (01), Pharmaceutical Chemistry (01), Pharmacology (02)

Eligibility: A candidate with 55% marks (50% for ST/SC) at Master level in concern specialization. The admission shall be through AUCET-2018 except those who have qualified UGC-NET/CSIR (JRF, NET)/SLET/GPAT/direct awardees of DST/ICMR/DRDO/INSPIRE and other state or central level fellowship.

School of Veterinary Science

The School of Veterinary Sciences was established in 2016 with an objective to provide trained professionals for holistic development and improvement of animal wealth of Himachal Pradesh.

Objectives:

1. Supplement the state demand of veterinary Pharmacist
2. Improvement in total productivity of livestock to improve socio- economic status of livestock entrepreneurs.
3. To develop, update and standardise package of practices concerning feeding, management, reproduction and poultry production technology.

Course: 2 Year Veterinary Pharmacist Training Course
Duration: 2 Years
Seats: 65
Eligibility: Candidates Having Passed 10+2/equivalent examination in any stream conducted by recognized education board / university / council with 60% marks

Admission: Admission will be made on the basis of merit.

Infrastructure:

Classroom: Two
Laboratory: Three
 1. Anatomy
 2. Gynecology & Andrology
 3. Physiology & Biochemistry
Live Stock Farm: One
Boys /Girls Common Room
Multipurpose Hall
Pharmacy: One
Computer Lab
Library

Course

First Year		
Semester	Paper	Course Title
First	1.	Elementary Animal Husbandry (AUVS-111)
	2.	Elementary Livestock Handling (AUVS-112)
	3.	Elementary Animal Nutrition (AUVS-113)
	4.	Basic Computer Applications (AUVS-114)
	5.	Elementary Anatomy & Physiology of Animals (AUVS-115)
	6.	Basic Clinical Pathology & Lab Techniques (AUVS-116)
Second	1.	Elementary Pharmacology (AUVS-121)
	2.	Elementary Poultry Sciences (AUVS-122)
	3.	Elementary Animal Husbandry Extension (AUVS-123)
	4.	Elementary Animal Reproduction (AUVS-124)
	5.	Elementary Andrology & Artificial Insemination (AUVS-125)
	6.	Elementary Veterinary Epidemiology & Public Health (AUVS-126)

Second Year		
Semester	Paper	Course Title
Third	1.	Introduction to Animal Diseases & Management (AUVS-211)
	2.	Elementary Parasitology (AUVS-212)
	3.	Veterinary Hospital Maintenance (AUVS-213)
	4.	Elementary Veterinary Medicine (AUVS-214)
	5.	Elements of Wound Care & Management (AUVS-215)
Fourth	Practical Training	
	1.	Cattle Farm
	2.	Poultry Farm
	3.	Sheep Farm
	4.	Sperm Station
	5.	DI Lab
	6.	Veterinary Hospital

Faculty of Engineering and Management

School of Engineering

School of Engineering was established in 2014 with the objective to provide high quality education in major engineering disciplines from undergraduate to post-graduate levels through a creative balance of academic, professional, and extracurricular programmes. The mission of the School of Engineering is to make the graduates morally conscious and highly competent engineers, conduct internationally recognized research, and provide quality professional and community services. The School of Engineering has well-qualified and committed faculty members, supporting staff and modern infrastructure in the form of elegant and smart classrooms, spacious laboratories, latest machinery and equipment. Students are encouraged to participate in co-curricular and extra-curricular activities to acquire leadership qualities. The Department emphasizes on modern laboratories to cater to the needs of academic and research activities. It is well equipped with computational facilities and resources both in terms of hardware and software.

At present, there are Two departments in the School of Engineering: –

Civil Engineering and
Computer Science Engineering

The School of Engineering is running the following academic programmes:

Undergraduate Programs:

1. Bachelor of Technology (B. Tech.) in Civil Engineering (Intake -60 Seats)
2. Bachelor of Technology (B. Tech.) in Computer Science & Engineering (Intake -60 Seats)

Course Duration: 4 Years (8 Semesters)

Postgraduate Program:

Master of Technology (M. Tech.) in Civil Engineering (Intake -18 Seats)

Course Duration: 2 Years (4 Semesters)

Laboratory Facility:

The School of Engineering has the following laboratory facility in different departments:

- **Civil Engineering:** Soil Mechanics, Surveying, Environmental Engg., Civil Engg. Software, Structural Analysis, Transportation, Building Construction Material, Physics Lab., Chemistry Lab.
- **Computer Science & Engineering:** Computer Centre, Operating Systems & Data Structures Laboratory, C, C++, Java, Unix, Matlab, Physics Lab., Chemistry Lab.

Eligibility and Admission Criteria for Undergraduate Programs:

The candidate must have passed 10+2 examination with 45% marks for general category (40% marks for SC/ST category) from a recognized Board of Education with Non- Medical.

Lateral Entry:

For the candidates seeking admission in B. Tech II year through Lateral Entry must have passed Diploma course in appropriate branch of Engineering with 45% marks for general category (40% marks for SC/ST category) or B.Sc. with 45% marks for general category (40% marks for SC/ST category) having passed 10+2 examination with Mathematics as one of the subjects will be admitted on merit basis.

Eligibility and Admission Criteria for Postgraduate Program:

The candidate should have passed B. Tech. examination in the respective branch of engineering with minimum entry level qualification prescribed by AICTE.

Admission:

Admission will be made on the basis of merit of Gate/State/HPPUMA Entrance Examination or 60% marks for general category (55% marks for SC/ST category) in the qualifying examination conducted by the recognized University.

List of Teaching Staff School Engineering

Sr. No.	Name of Faculty	Designation

23.	Ms. Geetanjali	Assistant Professor

School of Management

In the changing global scenario the importance of management has increased in our life. Applying the critical thoughts in management one can live a better and comfortable life.

The aim of School of Management is to produce the graduates & Post graduates morally conscious and competent entrepreneurs conduct internationally recognized research, provide quality professional and community services. Our School of Management is delivering education to the students to meet the standards of corporate world. The well qualified and dedicated faculty of the School is endeavouring towards this goal of the School. The School is equipped with modern infrastructure in the form of smart class rooms and spacious laboratories with computational facilities. The students are guided by the faculty members to participate in co-curricular and extra-curricular activities to develop to leadership qualities. The School offers graduate, postgraduate and doctorate programmes as follows:-

Master of Business Administration (MBA)

Duration: 2 years (4 semesters)

Seats: 40

Eligibility and Admission: The candidate must have passed graduation level examination in any discipline from a recognized University. The admission to the course shall be made on the basis of merit of National/State level entrance examination (HPCET) CAT, CMAT, MAT or 60% marks for general category (55% marks for SC/ST category) in the Bachelor Degree of examination conducted by the recognized University.

Doctor of Philosophy (Ph.D) Management:-

Duration: Three Years (6 Semesters)

Seats: 30

Eligibility and Admission: The candidate must have passed MBA/M.Com. Examination from a recognized University with 55% marks for general category (50% marks for SC/ST category).

List of Teaching Staff School Management

Sr. No.	Name of Faculty	Designation
1.	Dr. Jyoti Sondhi	Professor
2.	Dr. Jatinder Kaur	Associate Professor
3.	Mrs. Kanchan Sharma	Assistant Professor
4.	Mr. Manish	Assistant Professor

School of Law

Course: B.A. LLB (5 Years Integrated Course)

Duration: 5 years (10 semesters)

Seat: 60

Eligibility: 10+2 in any stream with 50% marks for general and 45% marks for SC/ST category.

Admission: Admission will be based on the merit of AUCET-2018.

Academic Calender for the Session 2018-19

ODD SEMESTER		
Sr. No.	Activity	Date
1.	Admission, Registration & Teaching	August 01, 2018
2.	Mid-Term-I Examination	September 14-16, 2018
3.	Mid-Term-II Examination	November 23-25, 2018
4.	End Semester Practical Examination	November 27-30, 2018
5.	End Semester Theory Examination	December 01-30, 2018
6.	Winter Break	January 01-31, 2019
7.	Declaration of Results	January 20, 2019

EVEN SEMESTER		
Sr. No.	Activity	Date
1.	Admission, Registration & Teaching	February 01, 2019
2.	Mid-Term-I Examination	March 15-17, 2019
3.	Mid-Term-II Examination	May 25-28, 2019
4.	End Semester Practical Examination	May 30 - June 02, 2019
5.	End Semester Theory Examination	June 04-30, 2019
6.	Summer Break	July 01-31, 2019
7.	Declaration of Results	July 20, 2019

For Annual System courses the annual examination will be along with the even semester end semester examination. The rest remains the same.

Mentoring

The University has adopted Mentoring System. Faculty members act as mentors of the students. 20 students of each course placed under each mentor. The mentor will monitor:

- i) The academic progress and attendance record of the students.
- ii) To have the contact Nos. of students, their parents / guardians and inform them about the academic progress, attendance, good qualities and drawbacks of the students, if any regularly.
- iii) Behaviour of students in the classroom, hostel as well as in the University or any other noticeable activity of the student will be conveyed to the parents.

Internal Quality Assurance Committee (IQAC)

In pursuance to the Section 25 of the Abhilashi University (Establishment and Regulation) Act the university has constituted Internal Quality Assurance Committee (IQAC) for ensuring and monitoring quality education in the university.

Sikkim Cell

The University has constituted cell for the welfare of the Sikkim's students where students can post their grievances on University website portal.

Fee

Fee for different courses will be as approved by the Government of Himachal Pradesh for the session 2018-19 and the details be provided to the students at the time of admission.

Refund of Fee

Fee once paid is not refundable. If a student withdraws his/her admission before the last date of admission and the seat gets filled with wait listed candidate then the entire fee collected from the student, after a deduction of the processing fee of Rs. 1000/- (One thousand only) shall be refunded.

Scholarship Schemes

Tuition fee waiver will be provided to H.P School Education Board topper in the class in first year of the course. All scholarship schemes of Central Government, H.P. Government and other State Governments for higher education are made available to the students.

Reservation in Admissions

At least 25 percent seats for admission to each course shall be reserved for students who are Bonafide Himachalis and the remaining 75% seats open to all over India and abroad. Seats for admission in the University, for the students belonging to Scheduled Castes, Scheduled Tribes and Other Backward Classes, Handicapped students and BPL/IRDP shall be reserved as per policy of the State Government.

The 10% (ten percent) seats shall be reserved for the Himachali Bonafide BPL/IRDP candidates as per the provisions made by various Regulatory Bodies.

Fee structure in r/o of Abhilashi University, Chailchowk, Tehsil Chachyot, District Mandi H.P.

Sr. No.	Name of Course	Tuition Fee (Annually in two equal	Caution Money (In Rs./ one Time)

23.	Ph.D. Education	1,20,000	--

Eco-Clubs

These clubs play very important role in creating environmental awareness among the students. They undertake various eco-friendly activities motivate students to keep the environment neat and clean by minimization of waste production, proper disposal of waste, effective use of water and undertaking plantation of trees. They also organize Quiz, Essay and Painting competitions regarding various environmental issues and educate the students about the reuse of waste material and preparation of useful products out of the waste.

National Service Scheme (NSS)

The University has been given permission by the Govt. of Himachal Pradesh for establishment of One Unit (comprising of 100 volunteers) of National Service Scheme (NSS) in the University. The unit carried various activities and participated in Swachhta Abhiyaan helping locals in cashless transaction knowledge and some volunteers also attended water sports competition held at Pong Dam, District Kangra, H.P.

Dean Students Welfare

The office of Dean Students Welfare co-ordinates various activities for the welfare of the students. It aims at social harmony and peace in the campus and makes good citizens of India in addition to good academicians. DSW allots hostel accommodation to students, supervises sports and cultural activities of the students and also organizes debates, declamation contests and quiz competition programs. The office also organizes different cultural and academic tours for students during holidays.

Hostel

'Hostel is home away from home'. At the end of each academic day a student feels completely exhausted and requires recharge of physical and mental energy. All these call for a comfortable residential accommodation which provides the necessary ambience for group interaction and learning situations, for achieving academic excellence.

University has constructed well-furnished separate hostels for boys and girls. It is accepted that the quality and availability of lodging is a major concern to all the students, and due to this our University has given them first class facilities which include the following:

1. Separate hostels for boys and girls.
2. Well furnished, spacious, clean with excellent hygienic, modern style rooms.
3. Lodging is divided into single or double or triple sharing rooms.
4. Rooms are properly ventilated, spacious and equipped with separate beds, study tables and cupboards.
5. Each floor has facility for clean bathrooms and toilets.
6. Hot water is provided through solar heating system.
7. 24-hour water and power facility.
8. Common room with all amenities like television, newspapers and magazines.
9. Wi-Fi facility.
10. Mess facility managed by dedicated teams of employees for cooking and sanitation.
11. Highly dedicated security personnel who ensure proper security to students.
12. Round the clock security of the campus and the hostel managed by a private agency.

Admission

1. Students seeking admission to the hostel will have to apply to the Warden of the hostel (Boys/Girls) at the time of admission in the University.
2. The names of the candidates approved by Dean Students Welfare will be conveyed to the Warden.
3. The selected students will have to take admission in the hostel allotted to them within the stipulated time by paying the requisite fee in the accounts branch of the university.
4. After depositing the fee by the student, Warden will allot room to the student in the hostel. Once the hostel admission is over, Warden will submit the list of hostel boarders to Dean Students Welfare.

Hostel Charges

According to H.P. Govt. norms.

Hostel Rules and Regulations

General Rules:

1. The hostel authorities will not be responsible for any loss/damage of private property such as cash/mobile phone/scooter/motorcycle and other valuables. The residents are advised to get their vehicles insured against loss, theft and fire.
2. When the student vacates his/her room, he/she will hand over to the Warden all hostel furniture and other property issued to him/her failing which he/she will be liable to pay the entire cost of materials issued.
3. Any violation of rules and regulations will be subject to strict disciplinary action and parents of the ward will be informed accordingly. Disciplinary action includes any or all of the following penalties in accordance with the nature and seriousness of the offence:-
 - a. Payment for the repair or replacement of the article(s) damaged.
 - b. Suspension from the hostel for a specified period of time or expulsion from the Hostel/University.
4. A student admitted to hostel cannot withdraw from the hostel during the session 2018-19 i.e. up to July 2019.
5. Hostel is compulsory for BAMS students.

Note: Orders/decisions notified from time to time by the Hon'ble Vice-Chancellor/Dean Students Welfare/Warden will be binding on the residents.

Attendance and Leave Rules

1. The gates of the hostels will close and open at fixed time. Schedule will be put up on the notice board and the students will strictly adhere to it.
2. A resident shall, under all circumstances, take written permission from the Warden before leaving the hostel overnight. He/she shall sign the register maintained for the purpose at the hostel gate.
3. In the event, the University decides to increase the timings of library and other facilities, the University will make adequate arrangements for girl students.
4. The names of the residents absenting themselves without permission for three days or more may be struck off from the rolls of the hostel and possession of their rooms will be taken by the Warden.

Behaviour & Discipline

All residents shall have their meals in dining hall in the hostel. No resident will take his/her food to his/her room except in case of ill health and with the permission of the Warden. Students will maintain perfect discipline, harmony and peaceful atmosphere in the hostel and refrain from the following:

Computer Labs

In addition to separate computer facilities available in each department, there are two central computer laboratories well equipped with advanced computing systems to provide free internet access to all the students. The computers are of advanced configuration and latest software available for good training facilities. The entire campus is connected through internet facility. The multimedia computers in the campus provide a good facility for the students and employees and make a best quality learning and innovative teaching environment.

Conference Hall and Seminar Hall

Abhilashi University has two conference halls which are well equipped with modern facilities. They are used as per the needs of the students and staff members for various purposes like presentations and discussions. The academic life in Abhilashi University goes beyond the curriculum and for such activities a centrally located seminar hall is available. It provides an ideal platform for guest lectures, seminar presentation for and by students, cultural and other functions of the University.

University Auditorium

University auditorium with seating capacity of 1500 is in the process of completion. The auditorium will be equipped with all the modern facilities.

Wi-Fi Facility

The campus is equipped with Wi-Fi facility. Each student has access to internet through his/her id and password.

Sports Facility

Sports activities make the body healthy and strong. University provides sports facilities of both the types, indoors and outdoors games on the campus. There is big playground of 5,000 m² area.

Extension Programme

Agriculture

Extension education is a two way process. The School of Agriculture actively involved in extension programme and the farmers of the region are educated about the latest technologies in Agriculture. In order of achieve this, farmers training camps are held in the villages, farmers day depicting the latest technologies are organized at the campus through exhibitions, live exhibits, lectures from experts and entertaining the questions from participating farmers. In the reciprocal process, the experts visit farmer fields to study their problems first hand. The students, as a part of their course curriculum, visit farmers in the rural areas in the villages and acquaint themselves with their problems. In addition, the students go on educational tours to neighbouring Agricultural Universities, Research centres and modern farms to acquaint themselves about the latest developments in the field of Agricultural Education.

Pharmacy

To facilitate the link between University and community various extension activities for the welfare of the society in large scale is regularly being conducted through its Pharmacy awareness programmes, providing knowledge on different medically important herbs and their uses and also provide platform in organizing regional and national level workshops, seminars, conferences, newsletters and symposia.

Abhilashi Ayurvedic College and Research Institute

Abhilashi Ayurvedic College and Research Institute is also carrying out the extension of Ayurvedic knowledge to public of the area by adopting village under “Swatch Bharat Mission”. Further, the public is also made aware regarding hygiene, sanitation, preventive and precautionary treatment. Furthermore, monthly health camps, blood donation camps and ksharsutra camps for treating the piles patients are also being organized.

Entrepreneurship

Entrepreneurship is the activity of risk taking and deliberately allocating the resources to exploit opportunities in order to maximize the financial return. It is the process of risk taking and deal with uncertainty. In entrepreneurship we have to plan a good business model. The entrepreneurship leads to economic growth of the organization which is must for its sustainability. Abhilashi University is making efforts in the entrepreneurship as starting the agriculture farm for the supply of agricultural products, Pharmacy for medicinal products. An Ayurvedic Hospital at Chailchowk is already being run by the University.

Grievance Redressal Cells

To make into notice of any grievance of students and employees and its redressal in the University, cells have been constituted. These are: Women Grievances Redressal Cell, SC/ST Grievances Cell and Sikkim Students Grievances Cell.

Jurisdiction

In case of any dispute, decision of the Registrar of Abhilashi University will be final and the territorial jurisdiction for any legal action shall be limited to Chachyot, Distt. Mandi, (H.P.) only.

Anti-Ragging

As per the ruling of Honourable Supreme Court of India, ragging is a cognizable offence and banned in Abhilashi University. Those who are found guilty of participation in or abatement to ragging can be:

1. Suspended/Expelled from the University.
2. Rusted from the University up-to two years.
3. Fine up to Rs. 25,000/-.
4. Face rigorous imprisonment up-to three years.

All necessary steps are taken by the University authorities to curb any incident(s) of ragging in the campus. The senior students are made to sign an undertaking that they will abstain from indulging in ragging. Anti-ragging committee and squads are formed in the University to keep a strict vigil over student activities in the campus. Surprise checks are carried out in the hostels from time to time to monitor the activities of students. Anti-ragging posters and banners are displayed at various locations on the campus to dissuade senior students from participating in menace of ragging. Each student of the University submits online application and undertaking not to indulge in any kind of ragging during his/her tenure in the University.
